

# BOHS Literacy Wiz Game

## Instructions for Use

---

### 1. Package Contents

- 1 Spelling Tray (with 6 pegs)
  - 52 Letter Tiles (lower case)
  - 60 Double-Sided Picture Cards (120 words total)
- 

### 2. Learning Purposes

By using the Literacy Wiz Game, children will develop:

- **Letter Recognition**
  - **Phonics and Spelling Skills**
  - **Early Vocabulary Expansion**
  - **Memory, Concentration, and Fine Motor Skills**
- 

### 3. Game Setup

1. Place the tray and letter tiles in front of your child.
  2. Shuffle the picture cards and keep them within easy reach.
  3. Decide which game mode to play (see below).
- 

### 4. How to Play

## A. See & Spell Mode

1. Place a picture card on the tray with the **word visible**.
2. Ask your child to use the letter tiles to spell out the word they see on the card.
3. The picture and word provide a clear visual and spelling cue.

## B. Hide & Spell Mode

1. Place a picture card on the tray.
2. **Cover the word** on the card using the flap.
3. Show only the picture. Ask your child to spell the word using the letter tiles, relying on the picture as a clue.
4. Once completed, lift the flap to check the answer.

## C. Make a Sentence Mode

1. Pick several cards at random.
  2. Ask your child to use the words on the selected cards to create a simple sentence.
  3. This helps combine vocabulary with early grammar and creativity.
- 

# 5. Additional Ways to Play

- **Solo or Group Play:** Children can play independently or take turns with friends/siblings.
  - **Keep the Card Challenge:** When playing in a group, whoever spells a word correctly keeps the card. The player with the most cards at the end wins.
- 

# 6. Educational Benefits

- **Visual Aids for Spelling:** Picture and word association builds vocabulary and context understanding.
- **6-Peg Tray Advantage:** Allows for spelling words up to 6 letters, expanding vocabulary practice.
- **Fine Motor Development:** Handling and placing tiles aids handwriting readiness.
- **Letter Case Familiarization:** Tiles are lower case—more common in reading and writing.
- **Attention Span & Memory:** Spelling and matching boost concentration and memory.
- **Parent's Rest:** Kids can play on their own, giving caregivers a break.

---

## 7. Safety & Care

- Keep small letter tiles away from children under 3 years old.
- Store all parts in a safe, accessible place after play.
- Supervise play as needed for younger children.
