

## Product information according to Regulation (EU) 2023/826

**Product:** Electric hob  
**Trade mark:** Bosch  
**Model identifier:** PKC845T14D

| Condition                                                                                              | Max. Power consumption (W)                                                                                                                                     | Max. Period auto activation power management function (minutes) |
|--------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| off mode                                                                                               | -                                                                                                                                                              | -                                                               |
| Time auto-standby/displ. off                                                                           | -                                                                                                                                                              | --                                                              |
| Power consumption standby/network: Please check the user manual for how to switch off the WiFi module. | -                                                                                                                                                              | --                                                              |
| Activation and deactivation of wireless network ports                                                  | For models with wireless connections, you can save energy by disconnecting the network ports when not in use. More information can be found in the User Manual |                                                                 |
