

Philips 3000 Series
Steam iron

2400 W power
40 g/min continuous steam
200 g steam boost
Ceramic

DST3040/79

Powerful steam to tackle every crease

Steamboost up to 200g

Our steam iron 3000 series makes ironing easy with the powerful steam boost that tackles tough creases. The ceramic soleplate ensures smooth gliding while the 300ml water tank is large enough to finish smaller ironing loads without a refill.

Fast ironing

- 2400 watt for fast heat-up
- Continuous steam up to 40g/min for consistent performance
- Steam boost up to 200 gram for extra power

Easy ironing

- Iron more in one go with the 300ml water tank
- Our drip stop prevents water dripping on your garment
- Extra-long 2.5 cord
- Reach difficult places easily with the triple precision tip
- Vertical steaming for hanging fabrics

Long lasting performance

- Built-in calc-clean slider, long-lasting steam performance

Easy ironing

- Smooth gliding ceramic soleplate

PHILIPS

Steam iron
2400 W power 40 g/min continuous steam, 200 g steam boost, Ceramic

DST3040/79

Highlights

Continuous steam up to 40g/min

Strong and consistent steam output to remove creases faster.

Steam boost up to 200 gram

The strong steam boost gives you that extra power to penetrate deeper into the fabric and cut through the tough creases easily.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It does not stick to your garment, is scratch resistant and easy to keep clean.

Drip stop

Our drip-stop system prevents leakage to avoid stains from water droplets, so you can iron with confidence at any temperature.

Vertical steam

With the vertical steam function you can refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Triple precision tip

The tip is precise in 3 ways: it has a pointed tip, button groove and sleek nose design. Our

triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

300ml water tank

Fewer refills are required thanks to a large 300ml water tank. So you can iron more clothes in one go.

Extra-long 2.5 cord

An extra-long 2.5-meter cord provides maximum reach to anywhere on the ironing board and convenience.

Specifications

Calc management

- Built-in Calc Clean Slider
- Descaling and cleaning

Powerful performance

- Steam boost: Up to 200 gram
- Continuous steam: 40 g/min
- Ready to use: 35 sec.
- Power: 2400 W

Easy to use

- Water tank capacity: 300 ml
- Drip stop
- Tap water suitable
- Power cord length: 1.9 m
- Soleplate: Ceramic
- Vertical steam

- Voltage: 220-240 V
- Water spray

Guarantee

- 2 year worldwide guarantee

Green efficiency

- Energy saving mode
- Product packaging: 100% recycable
- User manual: 100% recycled paper

Size and weight

- Weight of iron: 1.2 kg
- Packaging dimensions (WxHxL): 32x13x16.2 cm
- Product dimensions (WxHxL): 12.1x14.3x29 cm
- Total weight with packaging: 1.5 kg
