# Vauxhall Pure Technology

We believe technology works best when it works for everyone. When it’s not just as smart as can be, but also as easy as can be. We call it Vauxhall Pure Technology. Now everyone can keep themselves and their loved ones safe. And everyone can stay connected to the things that matter most, simply and easily. That’s Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

## Vauxhall PureSense

Vauxhall PureSense gives you heightened awareness on the road, with smart driver assistance technology that makes every journey safer and more enjoyable. And the best bit? You don't have to do a thing. PureSense is always on, continually working away in the background, scanning the road ahead, keeping you safe and allowing you to just enjoy the drive.

## Vauxhall PureConnect

We live in a connected world. Friends and relatives are only a button away. We play music on demand. Information is instant. At Vauxhall we've brought your connected world inside the car – we call it PureConnect. Easy to use and always on, PureConnect seamlessly connects you to the things that matter through the smooth, flowing 7 or 8 inch display.

# Choose Your Trim Level

## Design

Design is Crossland’s entry level trim which has a high level of specification as standard including the 7-inch colour touchscreen with smartphone projection, air-con and cruise control.

## GS

Opt for GS for a touch of sportiness in your Crossland. Offering the visual appeal with a black roof, dark-tinted rear windows, 17-inch black alloy wheels and an interior that’s unique to the GS.

It’s sporty from the inside out but still offering the practicality and versatility needed for every day family life.

## Ultimate

The top of the range Crossland – Ultimate has everything from Alcantara interior trim to satellite navigation.

# Crossland Range Highlights

Design

Standard features include:

PureSense

- LED headlights
- Automatic lighting control
- Lane departure warning
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert (all speed)
- Automatic emergency braking with pedestrian detection
- Cruise control with speed limiter
- Hill start assist

PureConnect

- Multimedia infotainment system
  - 7-inch colour touchscreen
  - AM/FM/DAB digital radio
  - Bluetooth®
  - Apple CarPlay/Android Auto™
  - USB connection
- Six speakers

Comfort and Convenience

- Air conditioning
- Leather-covered steering wheel
- Steering column adjustable for reach/rake
- 60/40 split-folding rear seat back
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Automatic anti-dazzle rear-view mirror

Styling

- 16-inch diamond-cut bi-colour five twin-spoke alloy wheels
- Black upper window moulding

GS

Features over Design models:

PureSense

- LED tail lights
- LED daytime running lights
- LED front fog lights
- Automatic high beam control and headlight levelling system
- Rear parking distance sensors

PureConnect

- Multimedia Navi Pro infotainment system
  - 8-inch colour touchscreen
  - Satellite navigation
  - 2 x USB connections
- 3.5-inch colour instrument display

Comfort and Convenience

- Dual-zone electronic climate control
- Front centre armrest with storage
- Ergonomic active driver's seat (AGR-approved\*)
- Remote control security alarm system
- 12v rear seat power outlet

Styling

- 17-inch black five twin-spoke alloy wheels
- Black Griffin logo, vizor frame, rear lettering and skid plates
- Red upper window moulding
- Dark-tinted rear windows
- Black roof
- Chrome-effect digital instrument cluster surround

Ultimate

Features over GS models:

PureSense

- Panoramic rear-view camera
- Front and rear parking distance sensors
- Side blind spot alert
- Advanced park assist

Comfort and Convenience

- Heated front seats
- Heated steering wheel
- Alcantara interior seat trim
- Sliding 60/40 rear seat with centre rear seat armrest
- Load floor compartment FlexFloor with cargo under floor divider
- Keyless entry and start
- Electrically adjustable/heated power folding door mirrors

Styling

- 17-inch diamond-cut bi-colour five twin-spoke alloy wheels
- Silver-effect roof rails
- Chrome-effect upper window moulding

WLTP Combined CO<sub>2</sub> (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

\*Provisional fuel consumption and CO<sub>2</sub> figures are determined according to the WLTP test cycle. CO<sub>2</sub> figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO<sub>2</sub> figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO<sub>2</sub> emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £750.00 (inc. £125.00 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO<sub>2</sub> information.

# PureSense

Model specific features are outlined in the separate tabular information

**1. Automatic emergency braking with pedestrian detection**

Front camera system monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.\*

\*Cycles, motorcycles, animals and other objects are not detected.

**2. Lane departure warning with lane keep assist**

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

**3. Driver drowsiness alert**

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

**4. Speed sign recognition**

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

**5. Cruise control with speed limiter**

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

**6. Forward collision alert**

The system operates automatically and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

# PureConnect

Model specific features are outlined in the following pages

**1. Central display**  
The touchscreen infotainment comes as standard, with the availability of a digital instrumentation display, that puts important info directly into the driver's eyeline. It all works together to seamlessly connect driver, to car.

**2. 3.5-inch colour instrument display**  
3.5-inch instrumentation clearly displays all the important figures; including speed, fuel levels and more.

**3. Multimedia Navi Pro with 8-inch touchscreen**  
The app wall on the 8-inch infotainment touchscreen provides direct access to the main domains. These include radio, navigation and smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback.

**4. AGR front seats\***  
The AGR label confirms that the Crossland's ergonomically certified AGR seats meet even the highest levels of comfort.

\*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

Standard Infotainment Features

Multimedia with 7-inch touchscreen

Standard on Design

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 8-inch Touchscreen

Standard on GS and Ultimate

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- 1 extra USB connection

Standard Driver Information Features

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Android is a trademark of Google Inc, also registered in the U.S. and other countries.

# Comfort and Convenience

Model specific features are outlined in the separate tabular information

**1. Cool and in control**

Air conditioning is standard on all Crossland’s with most featuring dual-zone electronic climate control too. Filters help to keep allergy-causing pollens and bad smells out. A multizone sun sensor adjusts to sunlight intensity and keeps the entire cabin at a steady temperature, whatever the weather outside. It’s safer, too: controlled particle air recirculation prevents windows from fogging up for improved visibility.

**2. Heated front seats**

Driver and front passenger seats heat in three stages for a more efficient alternative to climate control – and a driving experience to look forward to.

**3. Storage solutions**

You can split the rear seats 60/40 and slide them forward or back to expand the boot space up to 520 litres. Or, if you flip the back row of seats flat, you’ve got a whopping 1,255 litres.

**4. Heated steering wheel**

Within a minute, the steering wheel will warm hands, however chilly it is outside, making driving not just more comfortable but safer too, thanks to the better control it offers.

Model Specific Features/Option

# Specifications

## Transmission

**Six-speed manual gearbox**  
Petrol engines: 1.2 (110PS) Turbo models

**Six-speed automatic transmission**  
Petrol engines: 1.2 (130PS) Turbo models

## Steering

- Speed-sensitive electric power-assisted steering
- Turning circle (wall-to-wall): 11.21m (36.7ft)

## Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and hydraulic dampers.

## Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Engine drag torque control
- Hydraulic brake assist
- Hydraulic brake boost
- Electronic brakeforce distribution

**1.2 (110PS) Turbo/1.2 (130PS) Turbo**  
Front ventilated discs: 283mm diameter  
Rear discs: 249mm diameter

## Fuel tank capacity

- 45 litres (9.9 gallons)

## Body

- Aerodynamic drag co-efficient: Cd 0.31

## Start/Stop technology

Crossland’s Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

| Petrol Engines        | 1.2 (110PS) Turbo with 6-speed manual                         | 1.2 (130PS) Turbo with 6-speed automatic                                |

#Provisional figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. \*Correct at time of publication.

**Please note: Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

| Loadspace Dimensions             |             |
|----------------------------------|-------------|
| Maximum length behind rear seats | 793 (31.2)  |
| Maximum length rear seats folded | 1483 (58.4) |
| Maximum width                    | 1000 (39.4) |
| Maximum height                   | 894 (35.2)  |

| Luggage Capacities Litres (cu.ft.)                                      |             |
|-------------------------------------------------------------------------|-------------|
| Rear seats up (under luggage compartment cover)                         | 410 (14.5)  |
| Rear seats up with optional sliding rear seats in forward-most position | 520 (184)   |
| Rear seats folded (to roof)                                             | 1255 (44.3) |

Please note, vehicles illustrated are not model specific and are for illustrative purposes only.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

<sup>1</sup>Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. <sup>2</sup>Can only be fitted with rear parking sensors. <sup>3</sup>Only compatible with IOA radio (BYOM2). <sup>4</sup>Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. <sup>5</sup>Not compatible with spare wheel. <sup>6</sup>A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

# Company Car Driver and Fleet Information

### High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

### Benefit in kind company car taxation\*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%\*\* for Basic Rate, 40%\*\* for Higher Rate) to calculate your annual benefit in kind tax liability.

#### Generic example:

| PETROL vehicle: 129g/km CO <sub>2</sub>   |            |
|-------------------------------------------|------------|
| On-the-road RRP                           | £20,260.00 |
| Deduct: Vehicle Excise Duty               | -£190.00   |
| New vehicle first registration fee        | -£55.00    |
| Effective list price                      | £20,015.00 |
| Add: Optional two-coat metallic paint     | £600.00    |
| List price for tax purposes (P11D value)  | £20,615.00 |
| Car benefit charge 2023–24 tax year (30%) | £6,184.50  |
| Benefit in kind tax liability             |            |
| Basic Rate (20%) tax payer                | £1,237.00  |
| Higher Rate (40%) tax payer               | £2,474.00  |

\*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.  
\*\*Excludes residents of Scotland.

#### BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

#### The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

| CO <sub>2</sub> emissions (g/km) | Percentage of cars price to be taxed 2023–24 tax year |
|----------------------------------|-------------------------------------------------------|
| Up to 50                         | 14%                                                   |
| 51 – 54                          | 15%                                                   |
| 55 – 59                          | 16%                                                   |
| 60 – 64                          | 17%                                                   |
| 65 – 69                          | 18%                                                   |
| 70 – 74                          | 19%                                                   |
| 75 – 79                          | 20%                                                   |
| 80 – 84                          | 21%                                                   |
| 85 – 89                          | 22%                                                   |
| 90 – 94                          | 23%                                                   |
| 95 – 99                          | 24%                                                   |
| 100 – 104                        | 25%                                                   |
| 105 – 109                        | 26%                                                   |
| 110 – 114                        | 27%                                                   |
| 115 – 119                        | 28%                                                   |
| 120 – 124                        | 29%                                                   |
| 125 – 129                        | 30%                                                   |
| 130 – 134                        | 31%                                                   |
| 135 – 139                        | 32%                                                   |
| 140 – 144                        | 33%                                                   |
| 145 – 149                        | 34%                                                   |
| 150 – 154                        | 35%                                                   |
| 155 – 159                        | 36%                                                   |
| 160 – 164                        | 37%                                                   |
| 165 – 169                        | 37%                                                   |
| 170+                             | 37%                                                   |

### Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Search Vauxhall Fleet Tools or click the link below: [Vauxhall Fleet Tool Box](#)

### Contact Vauxhall Fleet

# Further Information

**On-the-road prices**

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £750.00 (including £125.00 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

**Price protection**

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

**In the event of an accident**

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](https://vauxhall.co.uk/AccidentManagement)

**Leasys UK**

Leasys, one of the UK’s fastest growing leasing companies in the UK is equally owned by Stellantis and Crédit Agricole Consumer Finance. Our vision is to shape the future of mobility, and our mission as a mobility provider is to foster innovative solutions, designed around our customers for a best-in-class experience.

[Leasys](#) offers medium to long-term leasing solutions and fleet management systems, to guarantee efficient, rational, safe and sustainable mobility designed for individuals, professionals and companies of all sizes.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](https://vauxhall.co.uk/offers-finance/business-leasing.html)

**Vehicle Excise Duty**

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £390 is payable for the first five years of standard rate payments.

**Vehicle Excise Duty\***

| Band | CO <sub>2</sub> emissions in grams per kilometre | First year rate Petrol | Standard rate Petrol |
|------|--------------------------------------------------|------------------------|----------------------|
| A    | 0                                                | £0                     | £0                   |
| B    | 1 – 50                                           | £10                    | £180                 |
| C    | 51 – 75                                          | £30                    | £180                 |
| D    | 76 – 90                                          | £130                   | £180                 |
| E    | 91 – 100                                         | £165                   | £180                 |
| F    | 101 – 110                                        | £185                   | £180                 |
| G    | 111 – 130                                        | £210                   | £180                 |
| H    | 131 – 150                                        | £255                   | £180                 |
| I    | 151 – 170                                        | £645                   | £180                 |
| J    | 171 – 190                                        | £1,040                 | £180                 |
| K    | 191 – 225                                        | £1,565                 | £180                 |
| L    | 226 – 255                                        | £2,220                 | £180                 |
| M    | Over 255                                         | £2,605                 | £180                 |

\*Correct at time of issue.

# Further Information

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [vauxhall.co.uk/recycling](https://vauxhall.co.uk/recycling)

## Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall’s life with fixed monthly payments for the plan duration.

- **3 years’ Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years’ Vauxhall Roadside Assistance** – first year from us
- **First years’ MOT\*\*** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: [vauxhall.co.uk/vauxhallcare](https://vauxhall.co.uk/vauxhallcare)
