General information

Category: multitrack

Integrated light source.

In all MULTITRACK systems, luminaires can be connected to two circuits using two power supplies (except plug-in power supplies, which power only one circuit). To operate luminaires on two circuits, the ordered luminaires must be divided, and the appropriate control options selected: ON/OFF and ON/OFF - second circuit.

Adapter standard colours: white luminaire - white adapter, black luminaire - black adapter. Luminaire is compatible only with multitrack system. If the HONEYCOMB set accessory is to be pre-installed in the fixture during production, please notify us when placing the order.

Dispatch time: according to confirmation;
In case of an order of more than 30 items you must confirm the delivery time.

Lifetime: L90B10 for 41 000h

Warranty period: 5 years
