Product Usage Instructions

1. Before starting, make sure you have all the components listed in the manual.
2. Assemble the parts according to the provided diagram.
3. Use the appropriate size screws for each component.
4. Ensure all connections are secure before using the product.

Before You Start

- Please read all instructions carefully.
- Retain instructions for future reference.
- Separate and count all parts and hardware.
- Read through each step carefully and follow the proper order.
- We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- Always place the product on a flat, steady, and stable surface.
- Keep all small parts and packaging materials for this product away from babies and children as they potentially pose a serious choking hazard.
