## **FAQ**

- **Q:** What is the warranty period for MageGee products?
- **A:** All current products come with a 12-month warranty period from the date of purchase.
- **Q:** Can I detach the cable of the keyboard?
- **A:** Yes, the keyboard comes with a detachable Type-C cable for convenience.
- **Q:** What is N-key Rollover?
- **A:** N-key Rollover allows multiple keys to be pressed simultaneously without any key blocking or ghosting issues, ensuring a smooth and accurate typing or gaming experience.

## **Warranty**

### **MaGegee Warranty**

#### **Dear Users**

- Thank you for choosing MageGee products.
- This product is made of high-quality material and great care has been taken in its manufacture. It is designed to give good performance provided it is properly operated and maintained.
- To obtain a satisfied after-sale service from MageGee, please read the following instructions carefully before using.

### **Warranty Terms**

- All current products have a 12-month warranty period from the purchase date.
- If any defect in manufacture or material confirmed by the seller appears within in 12 months, MageGee will

arrange for such defect to be rectified without charge under the following conditions:

- Present this warranty card with the seller's stamp when demanding service from MageGee's local distributor.  
Present this warranty card and sales invoice when demanding service from MageGee online stores.
- The defect is not due to the use of the product for other than regular purpose, or an incorrect voltage, or use of improper accessories, or contrary to operating instructions, or to accident damage (whether in transit or otherwise), misuse, neglect or inexpert repair, or incorrect installation, or accessories belongs to the product, transportation.

The following conditions are out of MageGee warranty terms

1. The defect appears out of the 12-month warranty period.
2. The defect is caused by misuse, incorrect voltage, transit damage, incorrect installation, inexpert repair, or other reasons that are not caused by design, technology, manufacturing, material quality, etc.
3. The defect is caused by accidents or disasters, such as fire, earthquake, war, vandalism or theft.
4. The defect is caused by incompatibility with other hardware/ software that are not defined as system requirements.
5. The defect is caused by accessories, such as replaceable batteries.
6. The warranty card or sales invoice can not be offered correctly.
