magic bullet MBR04 Blender

Product Specifications

- Model: MBR-0793AK_MB
- Product Type: Blender
- Power: 700W
- Capacity: 600ml
- Speed Settings: 2
- Color: Silver

Product Usage Instructions

Assembling the Blender

Follow these steps to assemble the blender:

1. Place the blender base on a flat, stable surface.
2. Attach the blade assembly to the blender jar.
3. Screw the jar onto the base until securely in place.

Operating the Blender

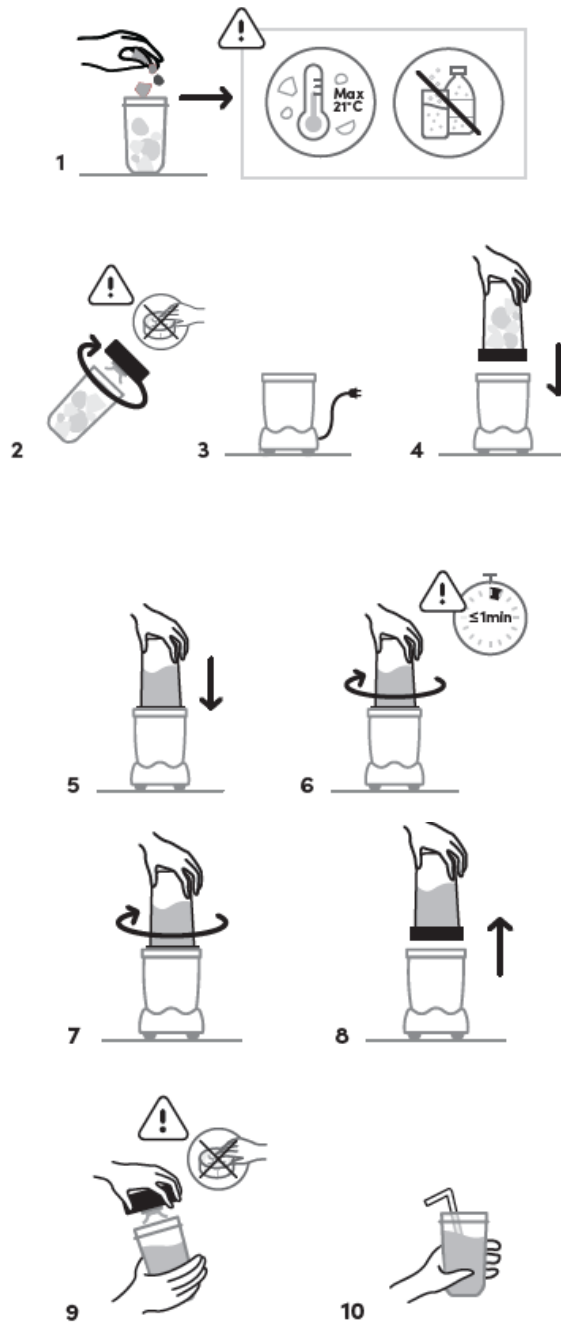

To operate the blender

1. Add ingredients into the jar, ensuring not to exceed the maximum capacity.
2. Select the desired speed setting.
3. Press and hold the power button to start blending.
4. Release the power button once you achieve the desired consistency.

Carefully read all the important safeguards instructions before using the product.

Instructions

Safety Instructions

Before using the product, carefully read and follow all the safety instructions provided in the manual.

Frequently Asked Questions

- **Q: Can I blend hot liquids in this blender?**

A: It is recommended to avoid blending hot liquids in this blender to prevent damage or injury. Let hot liquids cool before blending.

- **Q: How do I troubleshoot if the blender is not working?**

A: Check if the power cord is properly connected, and ensure that the jar is securely attached to the base. If issues persist, refer to the user manual or contact customer support.
