Assembly Instructions

1. Bracket assembly – Attach brackets (B) using screw A.
2. Side panel installation – Connect the side panels to the brackets.
3. Crossbar installation – Install the crossbar (C) using screw C to fix it to the brackets.
4. Desktop installation – Place the desktop on the frame, ensuring it is secure.

Be careful not to fix it with long screws here, so as not to penetrate the top of the desktop! The installation is complete!

FAQ

What should I do if there are missing or damaged parts upon delivery?

Contact customer service with details of the specific accessories needed.

Is there an additional fee for reissuing parts?

No, there is a reissue fee mentioned, suggesting that replacement parts may be provided free of charge.

Can I use screws longer than those provided?

No, using longer screws can damage the desktop. It is advised to be careful not to use long screws that might penetrate the top of the desktop.

How do I ensure the stability of the assembled desk?

Make sure all screws are securely fixed and all parts are properly assembled as per the instructions.
