- **Q:** How do I access teletext services?
  - **A:** Press the Text/Go to button to access teletext services on your TV.

Product Usage Instructions

Power

- The Power button turns the device on or off.

EPG (Electronic Program Guide)

- The EPG button displays the electronic program guide on your TV screen.
- Use the arrow buttons to navigate through the guide and press OK to select a program.

Mute

- The Mute button mutes the audio. Press it again to unmute.
- The Dimmer function can be accessed by pressing the Mute button for a longer period of time.

OPT (Optical)

- The OPT button is used to select the optical input source on your TV or audio system.

TV

- The TV button switches the remote control to control your TV.
- Use this button to navigate through TV menus or adjust TV settings.

OK

- The OK button confirms your selection when navigating through menus or selecting options.

Program Up/Down

- The Program Up and Program Down buttons are used to navigate through TV channels or program lists.

Volume Up/Down

- The Volume Up and Volume Down buttons adjust the volume level of your TV or audio system.

Channel/Page Up/Down

- The Channel/Page Up and Channel/Page Down buttons allow you to switch between TV channels or scroll through pages.

Number Buttons

- The number buttons (0-9) are used to directly input channel numbers or navigate through menus by entering numeric values.

Color Buttons

- The color buttons (Red, Green, Yellow, Blue) have different functions depending on the context.
- They can be used to access specific apps or features like Netflix, YouTube, Prime Video, etc.

Recall/Exit

- The Recall/Exit button recalls the previous channel or exits from menus.
- It can also be used to cancel or clear certain actions.

List/Smart

- The List/Smart button displays a list of available options or activates the smart features of your TV.

Text/Goto

- The Text/Goto button allows you to access teletext services or jump to a specific location within a program.

APP

- The APP button provides quick access to apps or app-related functions on your TV.

Shift +

- The Shift + button is used in combination with other buttons to access additional functions or alternate commands.

Subtitles/EQ

- The Subtitles/EQ button activates subtitles during playback or adjusts the equalizer settings of your audio system.
