Mandis BRIMAX M1900R Replacement Remote Control

Product Information

Specifications:

- **Model:** M1900R
- **Power:** Yes
- **Mute:** Yes
- **Display:** LCD
- **Inputs:** DVB, AV
- **Audio:** Nicam
- **Sleep Timer:** Yes
- **Remote Control:** Included

Product Usage Instructions

Power and Basic Functions:

To turn on/off the device, press the “Power” button. To mute/unmute the sound, press the “Mute” button. The numeric keypad can be used for direct channel selection.

Menu Navigation:

Use the arrow keys (Up, Down, Left, Right) to navigate through the menu options. Press the “Enter” button to select an option.

Display and Picture Settings:

Adjust the display settings by accessing the “LCD Menu” option. Use the arrow keys to navigate through the menu options, and press “Enter” to select an option. Adjust the picture mode and size according to your preferences.

Audio Settings:

Change the volume using the “Vol +” and “Vol -” buttons. Switch between different audio channels using the “Ch +” and “Ch -” buttons. Select the audio mode (e.g., Nicam) using the “S.Mode” button.

Additional Features:

Access additional features such as sleep timer, favorite channels, and teletext by using the corresponding buttons on the remote control.

Frequently Asked Questions (FAQ):

- **Q: Where can I find a replacement remote control for the M1900R?**

A: You can find a replacement remote control for the M1900R on the following website: [Replacement Remote Control for Brimax M1900R](#).
