Mandis

Mandis RC-849S Onkyo Remote Control

Specifications

- **Model:** Onkyo RC-849S
- **Compatibility:** Onkyo devices
- **Power:** Battery-operated
- **Connectivity:** CD, Tuner, Line, Digital, USB
- **Features:** Power Open/Close, Dimmer Display, Sleep, Pause, Recharge

Product Usage Instructions

- **Power On/Off**
 - To power the device, press the “Power” button. To power off the device, press and hold the “Power” button.
- **Display Dimmer**
 - To adjust the display brightness, use the “Dimmer” button. Press it repeatedly to cycle through different brightness levels.
- **Sleep Timer**
 - To set a sleep timer, press the “Sleep” button. Use the “+” and “-” buttons to adjust the desired sleep duration. The device will automatically turn off after the set time.
- **CD Playback**

- To play a CD, press the “CD” button. Use the “+”, “-”, “<”, and “>” buttons for navigation and playback control.
- **Tuner Usage**
 - To listen to the radio, press the “Tuner” button. Use the “+”, “-”, “<”, and “>” buttons to tune into different stations.
- **Line Input**
 - To use the line input, connect an external audio device to the device’s line input port. Press the “Line” button to activate the line input mode.
- **Digital Input**
 - To use the digital input, connect a compatible digital audio source to the device. Press the “Digital” button to select the digital input mode.
- **USB Playback**
 - To play audio files from a USB device, connect the USB device to the device’s USB port. Press the “USB” button to access and control the USB playback.
- **Pause/Step/Freeze**
 - During playback, press the “Pause” button to pause the audio or video. Press it again to resume playback. Use the “<”, “>”, or “|>|” buttons for step-by-step playback or freeze frames (if supported).
- **Subtitle/Equalizer**
 - Press the “Subtitle” button to toggle subtitles on and off (if supported). Press the “EQ” button to access and adjust the equalizer settings.
- **Main Menu**
 - Press the “Menu” button to access the main menu of the device.
 - Use the arrow buttons (Up, Down, Left, Right) to navigate through menu options. Press “Enter” or “OK” to confirm selections. Press “Return” or “Back” to go back to the previous menu.
- **Volume Control**
 - Use the “Vol+” and “Vol-” buttons to increase or decrease the volume level.
- **Tone Control**
 - Use the “Tone” button to access and adjust tone settings (bass, treble, etc.) if available.
- **Memory and Presets**
 - Use the “Memory” button to store favorite radio stations or settings. Use the “Preset+” or “Preset-” buttons to cycle through preset stations or settings.
- **Random and Repeat**
 - Press the “Random” button to play audio files in random order (if supported). Press the “Repeat” button to enable repeat mode (repeat one, repeat all, etc.).
