Mandis Sharp RRMCGA263AWSA Replacement Remote

Product Information

Specifications

- Model: Sharp RRMCGA263AWSA
- Compatibility: Sharp Audio System
- Color: White
- Dimensions: Not specified
- Weight: Not specified

Product Usage Instructions

Power On/Off

To turn the device on or off, press the "On/Standby" button located at the top of the remote control.

Open/Close

To open or close the device, press the "Open/Close" button located on the remote control.

Number Buttons

The number buttons (1-0) on the remote control are used for various functions such as selecting channels, entering numeric values, or navigating menus.

Back/Repeat

The "Back/Repeat" button allows you to go back to the previous screen or repeat a track or action.

Memory Clear

To clear the memory, press the "Memory Clear" button on the remote control.

Clock/Timer

The "Clock/Timer" button is used to set and adjust the clock or timer settings on the device.

Power Eject

The "Power Eject" button is used to eject a CD or other media from the device.

Sleep

The "Sleep" button is used to activate or deactivate the sleep mode on the device.

Bass/Treble

The "Bass/Treble" buttons are used to adjust the bass and treble levels of the audio output.

Random

The "Random" button is used to play tracks in a random order.

Folder Demo/Dimmer

The "Folder Demo/Dimmer" button is used to start or stop a folder demo or adjust the brightness of the display.

Preset Up/Down

The "Preset Up/Down" buttons are used to navigate through preset radio stations or saved settings.

Enter

The "Enter" button is used to confirm a selection or input.

Volume Control

The volume control buttons ("Vol+", "Vol-") are used to increase or decrease the volume level.

Mute

The "Mute" button is used to mute or unmute the audio output.

CD/USB

The "CD/USB" button is used to switch between CD and USB modes.
