manhattan 181006 4 Port USB 3.0 Type-C / Type-A Combo Hub

Product Information

Product Specifications:

- **Model:** 181006
- **Brand:** Manhattan
- **Ports:** 4 x USB 3.0 (Type-C and Type-A combo)
- **Regulatory Compliance:** FCC Class B, CE/UKCA
- **USB Standard:** 3.2 Gen 1

Product Usage Instructions

1. Regulatory Compliance:
Ensure that the device complies with CE 2014/30/EU (UKCA Electromagnetic Compatibility Regulations 2016) and/or 2014/35/EU (UKCA Electrical Equipment [Safety] Regulations 2016).
2. Connection:
Plug the USB-C end of the hub into your device's USB-C port. For USB-A devices, insert the USB-A end into the USB-C port of the hub.
3. **Additional Benefits:**
Register your product warranty by scanning the QR code on the cover or visiting register.manhattanproducts.com/r/181006.

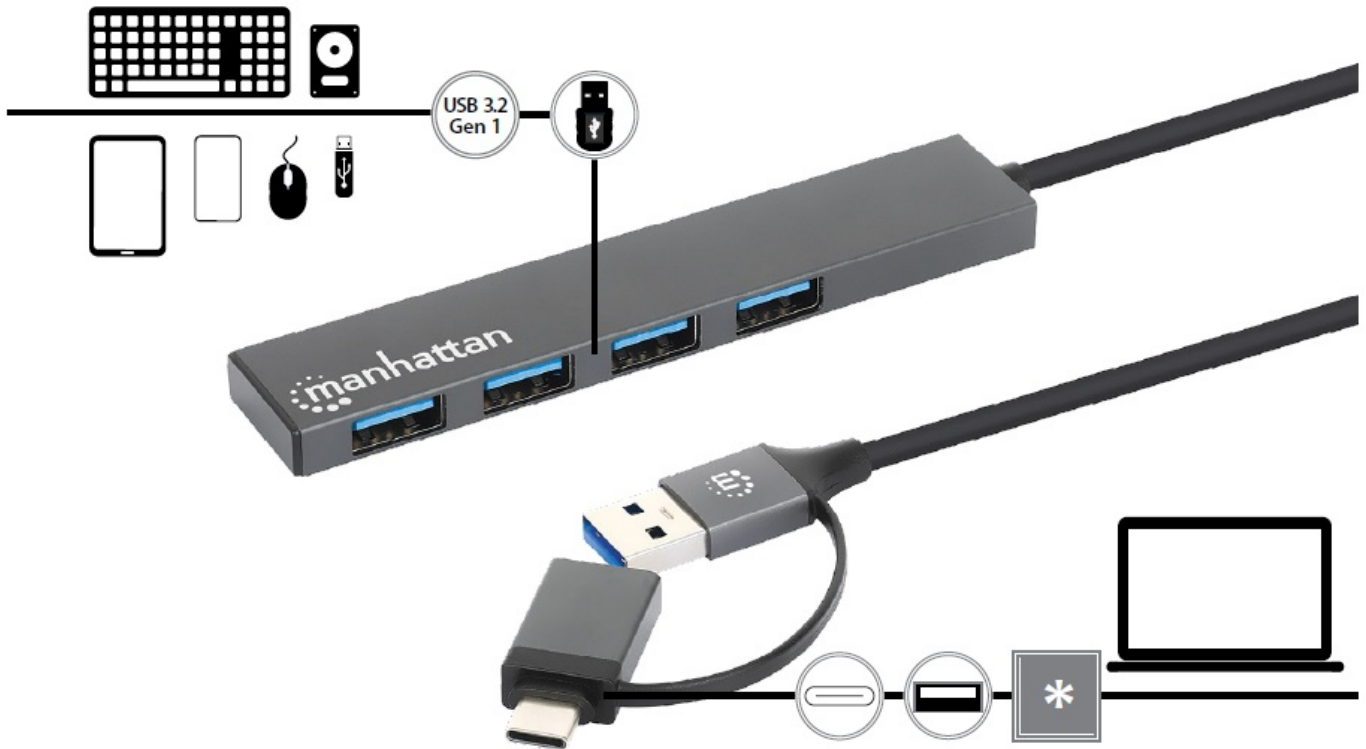

Frequently Asked Questions (FAQ):

- **Q: How many ports does the hub have?**
A: The hub has 4 ports in total, a combination of USB 3.0 Type-C and Type-A ports.
- **Q: How do I register my product warranty?**
A: You can register your product warranty by scanning the QR code on the cover or visiting register.manhattanproducts.com/r/181006.

Connection With Device

Plug-and-play installation for fast and easy setup – no driver download required; Windows®, macOS®, Linux®, and Chrome OS™ compatible.

- If using the USB-C plug, insert the USB-A plug into the USB-C plug.

- For specifications, go to manhattanproducts.com.
- Register your product at register.manhattanproducts.com/r/181006 or scan the QR code on the cover.

WASTE ELECTRICAL & ELECTRONIC EQUIPMENT

Disposal of Electric and Electronic Equipment (applicable in the E.U. and other European countries with separate collection systems)

This symbol on the product or its packaging means that this product must not be treated as unsorted household waste. By EU Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE), this electrical product must be disposed of by the user's local regulations for electrical or electronic waste. Please dispose of this product by returning it to your local point of sale or recycling pickup point in your municipality.

REGULATORY STATEMENTS

FCC Class B

This equipment has been tested and found to comply with the limits for a Class B digital device, under Part 15 of Federal Communications Commission (FCC) Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used per the instructions may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning

the equipment off and on, try to correct the interference by one or more of the following measures: reorient or relocate the receiving antenna; increase the separation between the equipment and the receiver; connect the equipment to an outlet on a circuit different from the receiver; or consult the dealer or an experienced radio/TV technician for help.

CE/UKCA

This device complies with the requirements of CE 2014/30/EU (UKCA Electromagnetic Compatibility Regulations 2016) and/or 2014/35/EU (UKCA Electrical Equipment [Safety] Regulations 2016). The Declaration of Conformity is available at: support.manhattanproducts.com/barcode/181006.
