Safety Precautions

- Avoid potential injuries or property damage! Manhattan is not responsible for damage or injury caused by incorrect assembly or use.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Be sure that you understand all instructions before you begin assembly. Ensure that you have received all parts according to the component checklist prior to installation.
- This product is designed to be installed on wood stud walls, solid concrete walls or brick walls.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- Use the mounting screws provided and DO NOT OVER-TIGHTEN mounting screws.
- This product is intended for indoor use only.

- Maintenance: Check that the bracket is secure and safe to use at regular intervals (at least every three months).
