Manhattan 161435 2600 Series Speaker System

Instructions

Important: Read before use.

1. Plug the 3.5 mm stereo plug into the output of the audio source, and plug the USB cable into an active USB

port.

2. Increase the volume on the audio source to 100%. Use the speaker's in-line volume control to adjust the volume to the desired level.

Waste Electrical & Electronic Equipment

Disposal of Electric and Electronic Equipment (applicable in the E.U. and other countries with separate collection systems)

This symbol on the product or its packaging means that this product must not be treated as unsorted household waste. In accordance with EU Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE), this electrical product must be disposed of in accordance with the user's local regulations for electrical or electronic waste. Please dispose of this product by returning it to your local point of sale or recycling pickup point in your municipality.

Regulatory Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of Federal Communications Commission (FCC) Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- reorient or relocate the receiving antenna;
- increase the separation between the equipment and the receiver;
- connect the equipment to an outlet on a circuit different from the receiver;
- or consult the dealer or an experienced radio/TV technician for help.

This device complies with the requirements of CE 2014/30/EU and/or 2014/35/EU. The Declaration of Conformity is available at: support.manhattanproducts.com/barcode/161435
