Product Usage Instructions

Assembly

The assembly must be carried out according to the manufacturer's instructions to ensure safety. Failure to do so may result in hazards.

Ventilation Recommendation

Furniture containing wood-based panels may emit substances into the indoor air. It is advised to ventilate the room where the furniture stands for approximately four weeks or until any residual smell is eliminated after assembly.

Cleaning and Maintenance

Regularly clean and maintain the furniture as per the manufacturer's recommendations to ensure longevity and optimal performance.

FAQ

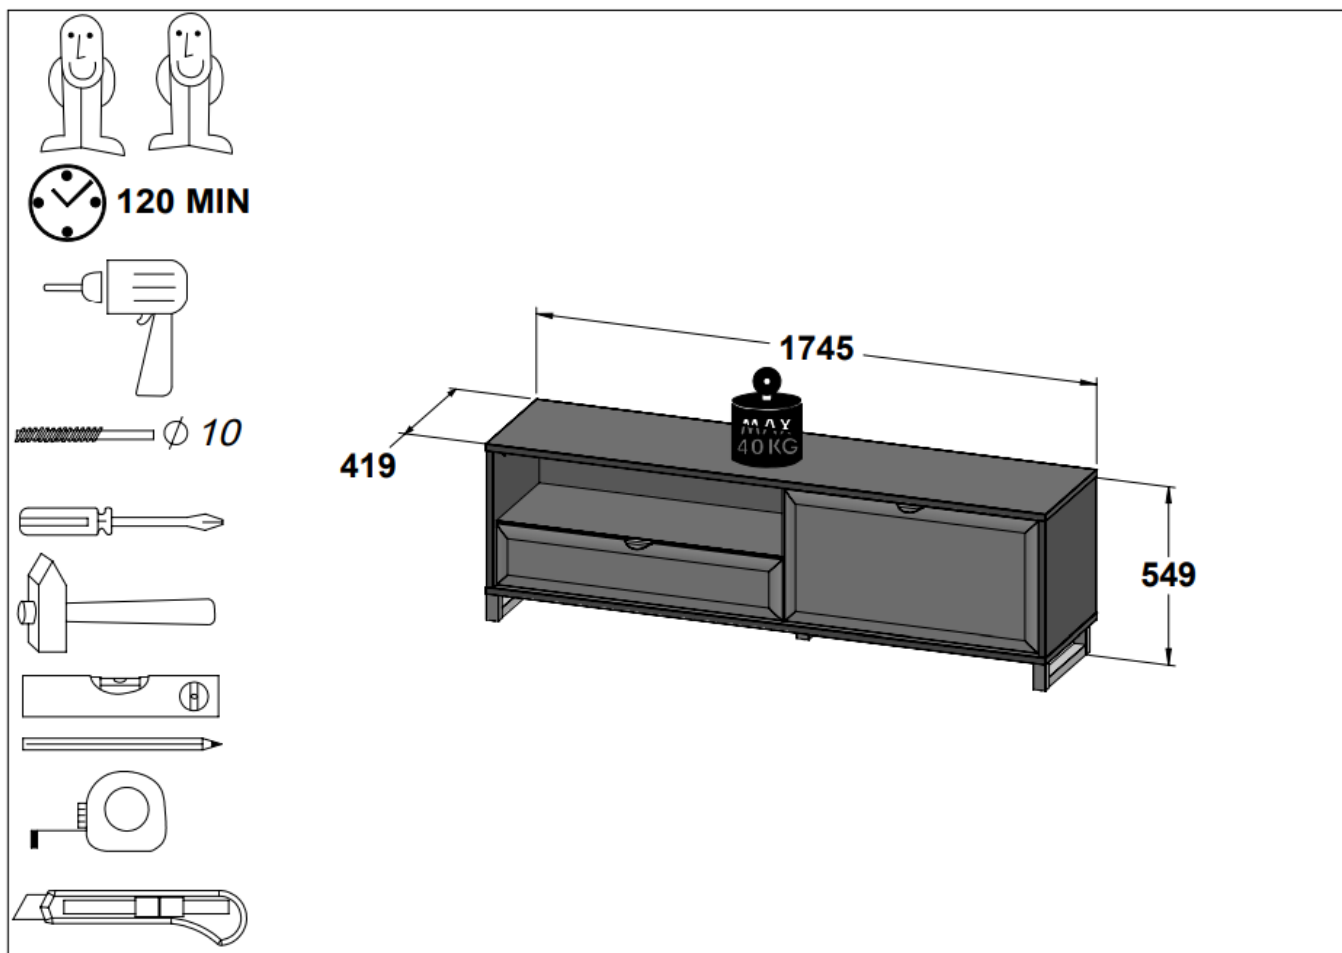

- **Q: How long should I ventilate the room after assembling the furniture?**

A: It is recommended to ventilate the room for about four weeks or until any residual smell is eliminated.

- **Q: What should I do if I encounter any issues during assembly?**

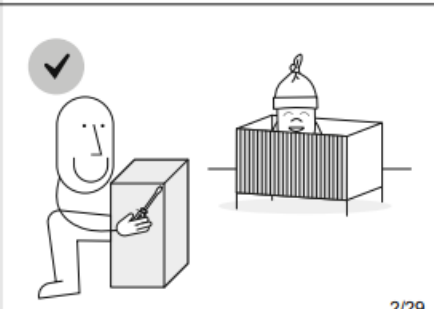

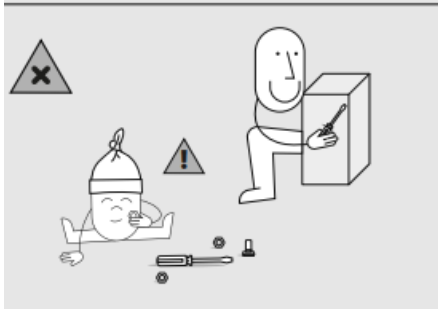

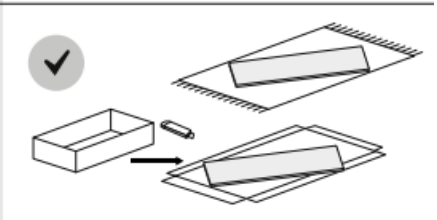

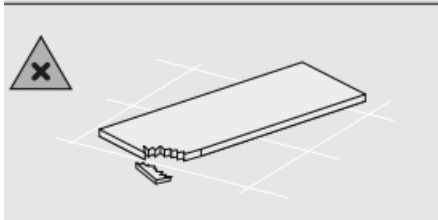

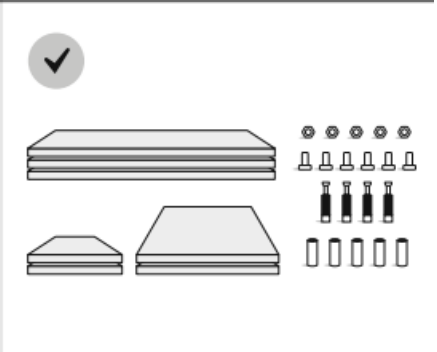

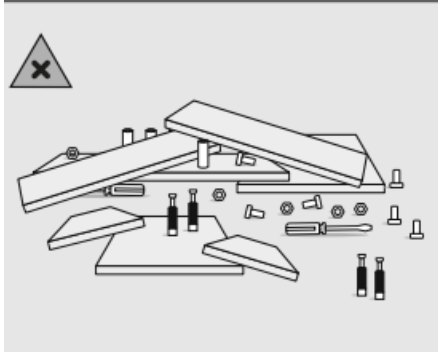

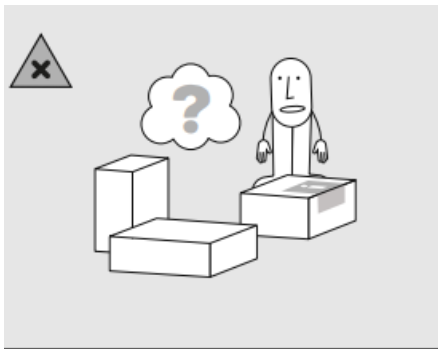

A: If you face any difficulties during assembly, refer to the manufacturer's instructions or contact customer support for assistance.

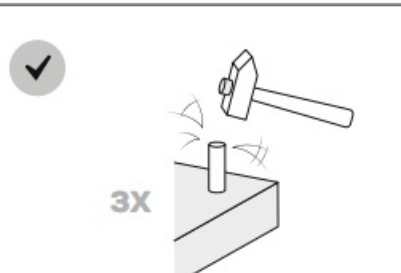

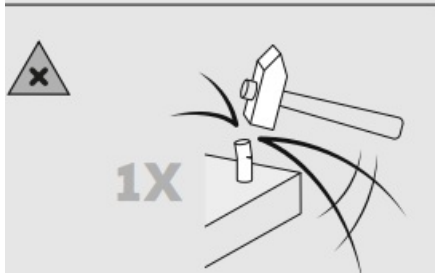

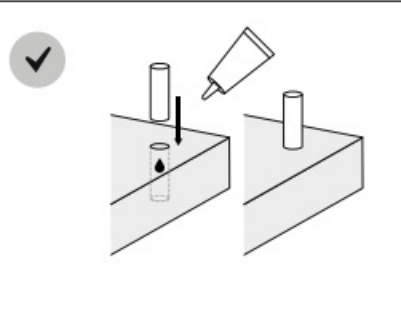

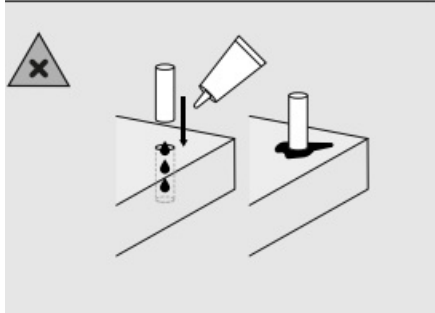

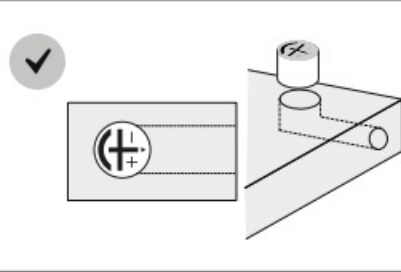

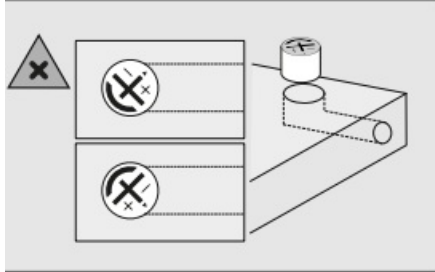

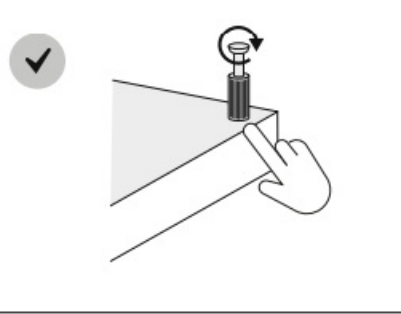

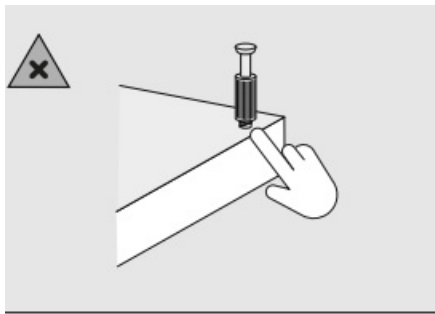

Dimension

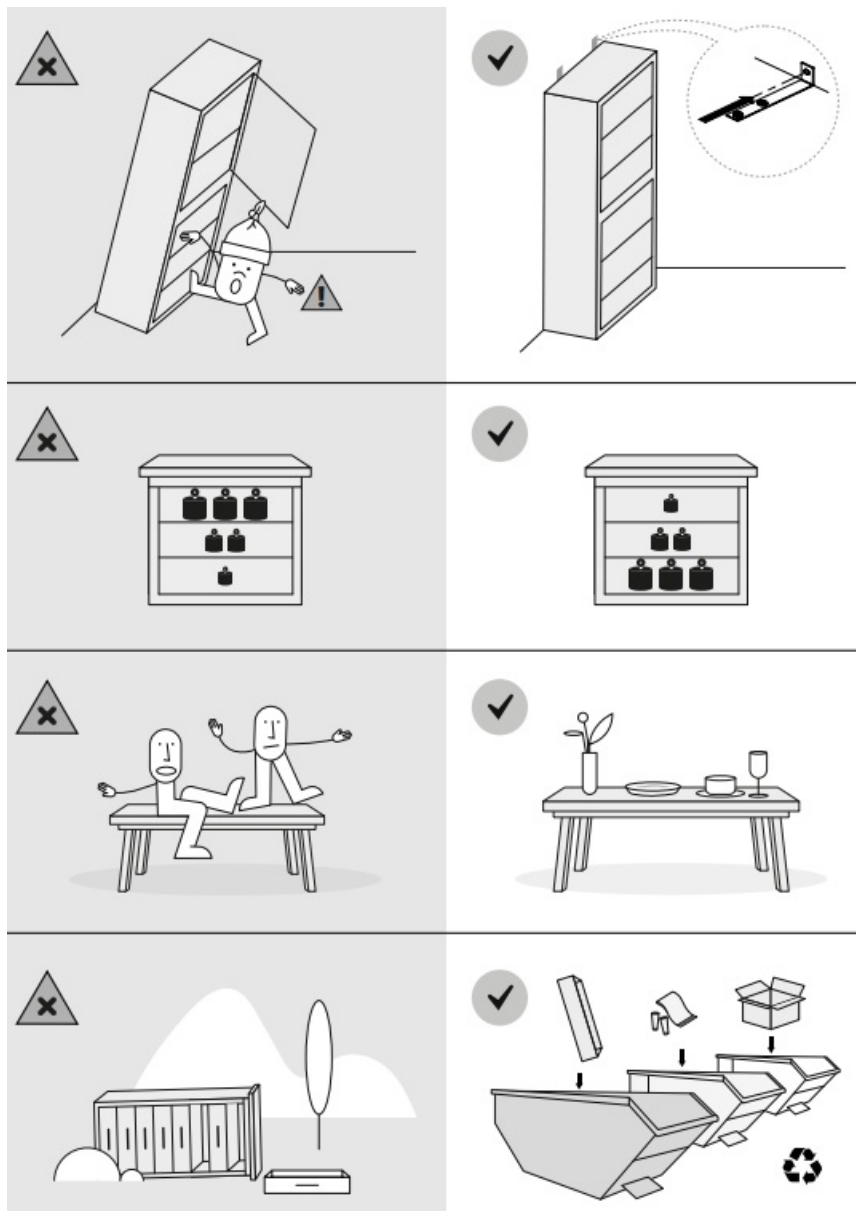

Follow the manufacturer's assembly instructions, otherwise danger may occur.

Assembling instruction

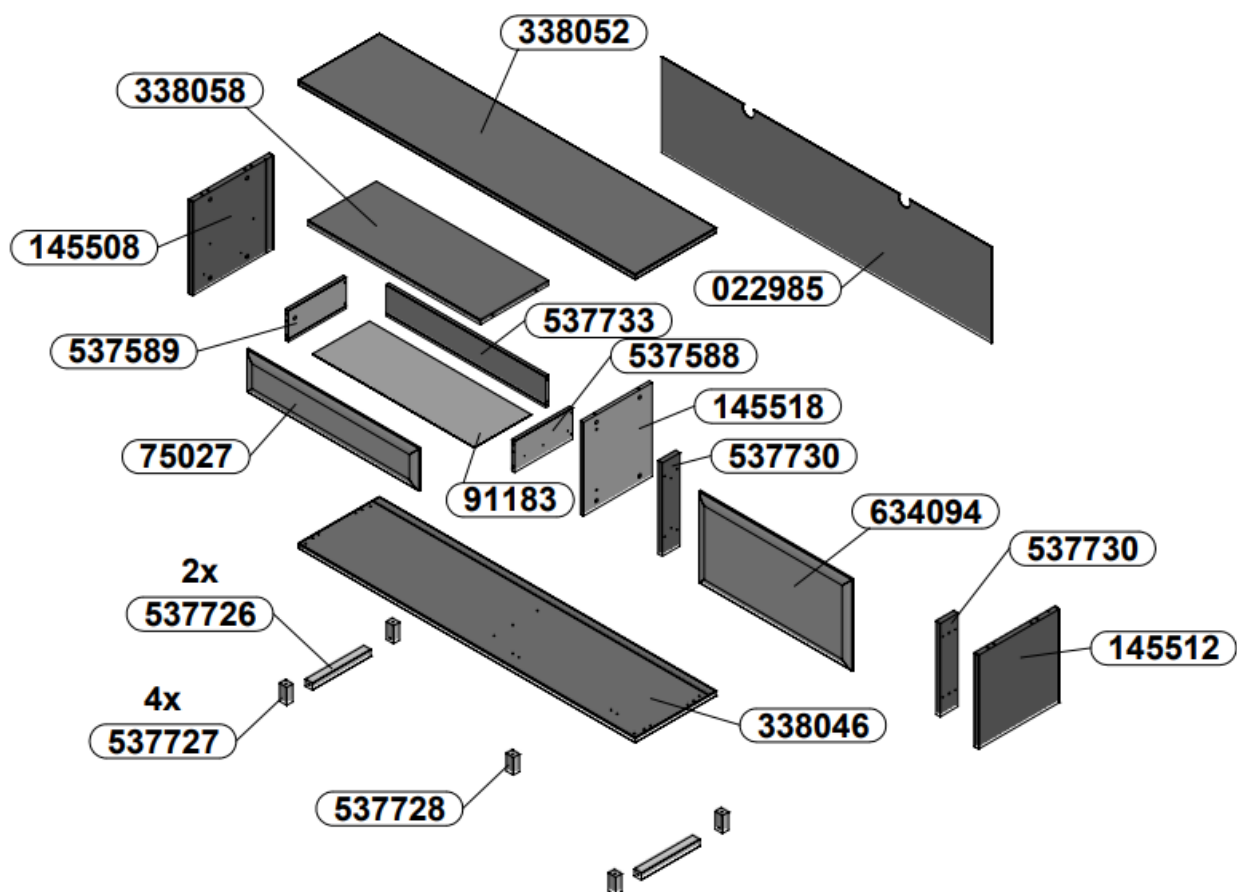

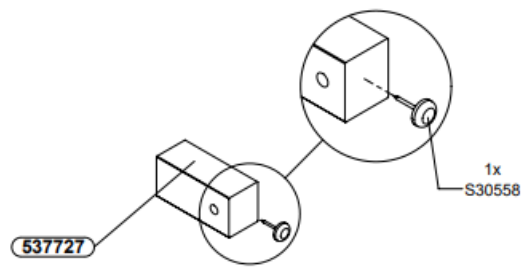

Furniture containing wood-based panels (particle board, fibreboard, plywood etc.) may emit into indoor air inconsiderable amounts of substances used in the production processes. The level of this emission is examined and it meets the applicable standards. After assembling the furniture, it is advised to regularly ventilate the room where the furniture stands, which should last about four weeks or until the smell is eliminated.

Before suspending or fixing furniture to the wall (in order to prevent falling over), check the type and strength of the wall. Select wall plugs and screws appropriate for the given type of the wall. In the case of doubts, contact a specialist. The installation must be performed by a competent person.

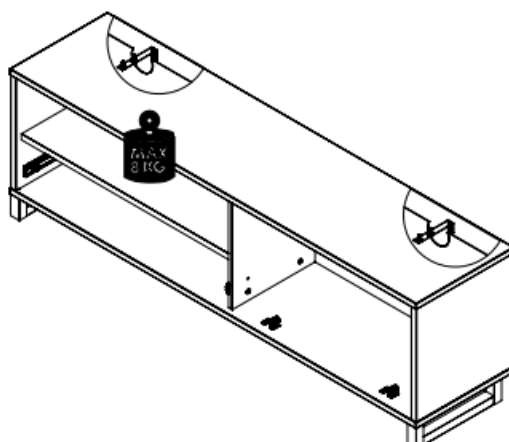

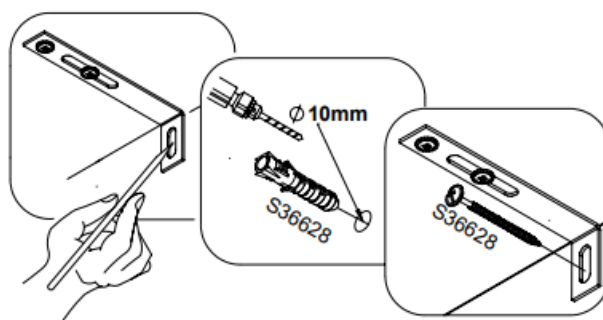

WARNING

If the rawlplugs with screws are attached to the product, then they are intended only for walls made of solid and homogeneous materials.

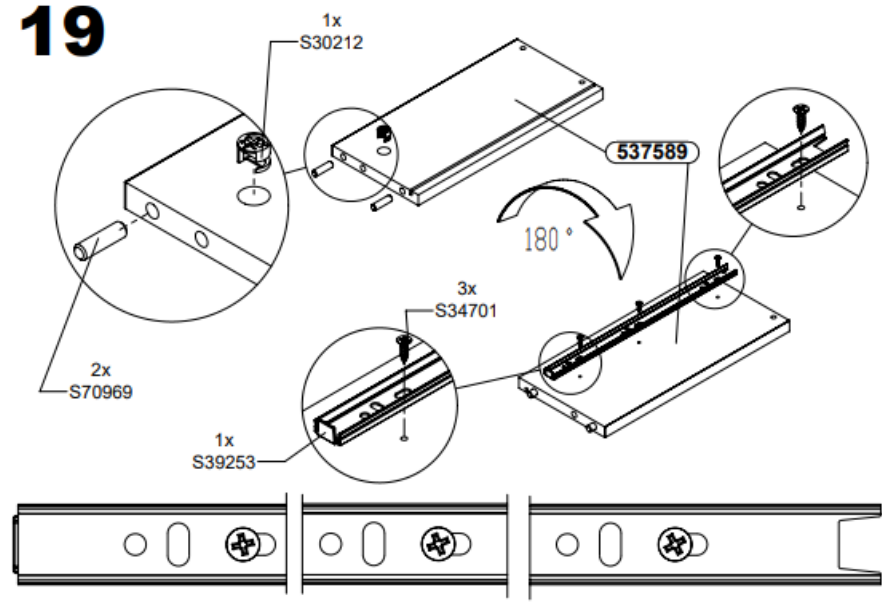

To prevent the piece of furniture from falling over, please attach it permanently to the wall.

GUIDELINES FOR FURNITURE CARE

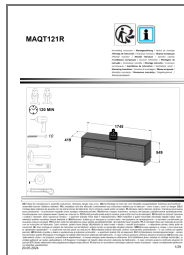

Please follow the below specified remarks in order to properly take care of your furniture:

- A clean dry soft fabric must be used for cleaning. If the furniture requires thorough cleaning, then you can slightly moistened it with water or cleaning agent designed for furniture cleaning, and subsequently the cleaned elements must be wiped until they're dry.
- Metal and glass parts must be cleaned using commercially available cleaning agents designed for cleaning of this type of materials, in accordance with the included instructions.
- Do not use corrosive agents, scouring agents and other agents if their intended use is unknown.
- The cleaning agents must have clear marking that they are intended for cleaning furniture.

WARNING!!! High gloss elements, from which the protective foil was removed, may be cleaned and used only after 72 hours.
