## Marset Fragile LED Table Lamp

## Product Information

## Specifications

- Light fitting for indoor use only
- Power Factor: 1
- Bulb to be used: Fragile LED SMD 2.1W (included)
- Dimmer: 230 V – 50 Hz

## Product Usage Instructions

### Assembly Instructions

1. Unscrew the screws (A). Join the tube (B) and the base (C), tightening the screws of the plate (A) located at the bottom of the lamp. NOTE: Pass the electric cable of the tube (A) through the groove located in the part (A), before screwing the assembly, as shown in figure 1.1.
2. Position the base by placing the plugs at the bottom.
3. Slip the sphere through the tube until it reaches the base of the body.
4. Attach the shade to the lamp body using the magnetized part located at the top.
5. When moving the lamp, hold it with two hands, one by the tube and one by the base, as shown in the figure.

**Note:** It is possible that after mounting the glass, it becomes uneven due to the artisan process of its elaboration. Move the shade to adjust it.

### Dimmer Instructions

To turn the lamp on or off or to adjust it, press the pushbutton.

### FAQs

**Q:** Can I use a different bulb with this lamp?

**A:** The recommended bulb for use with this lamp is Fragile LED SMD 2.1W. Using a different bulb may affect performance and safety.

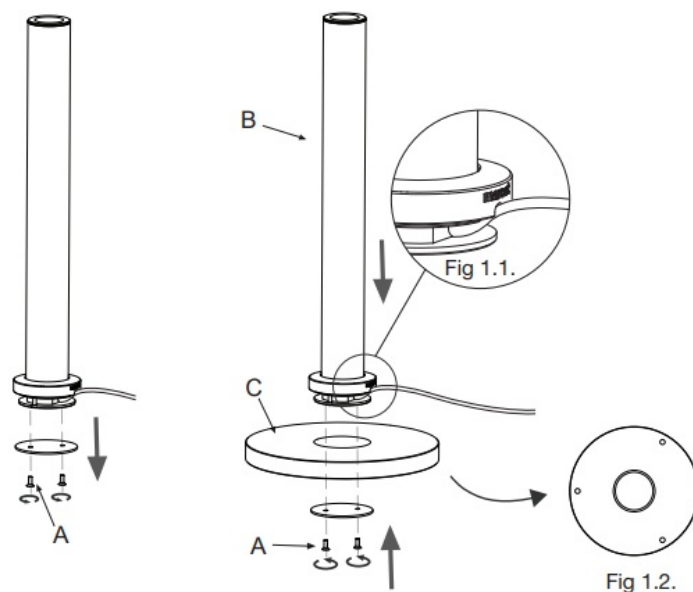

**Q:** Is this lamp suitable for outdoor use?

**A:** No, this lamp is designed for indoor use only. Using it outdoors may damage the product and pose safety risks.

### WARNING

1. It is recommended that a professional electrician be responsible for installing the light.
2. Disconnect power supply before installation.
3. If the wire or flexible cord is damaged, it must only be changed by the manufacturer, their Service Dept. or qualified personnel in order to avoid risk.
4. The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
5. To clean the luminaire use a soft damp cloth with soap or neutral detergent. Do not use alcohol or other solvents.
6. The light source and control gear contained in this luminaire shall only be replaced by a qualified person.

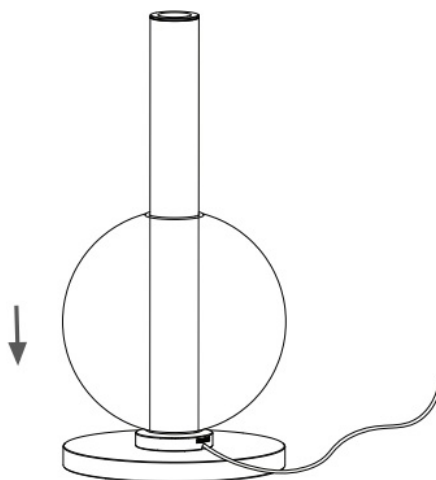

## Assembly Instructions

1. Unscrew the screws (A). Join the tube (B) and the base (C), tightening the screws of the plate (A) located at the bottom of the lamp.

**NOTE:** Pass the electric cable of the tube (A) through the groove located in the part (A), before screwing the assembly, as shown in figure 1.1.

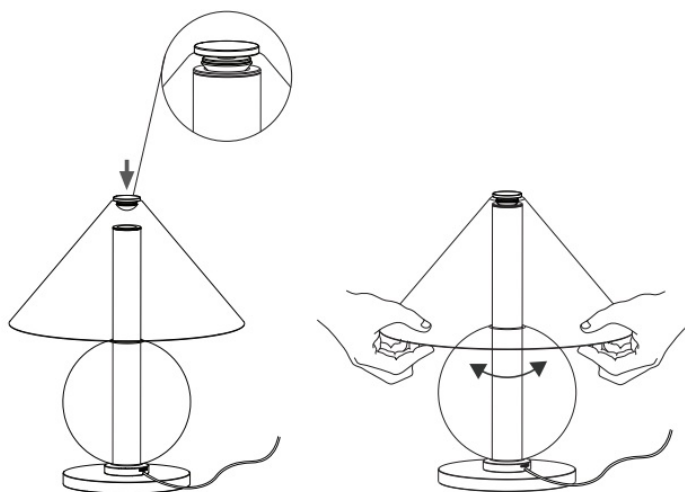

1. Position the base by placing the plugs at the bottom.
