2. Power Adapter
3. Suction Cup Antenna
4. Charging Cable
5. P1 Cable

USING INSTRUCTION

1. Infrared communication interface
2. 5V power supply interface
3. P1 Communication Interface
4. External antenna interface

Product Introduction Diagram

- Please confirm your meter manufacturer and model in the app.
- If you use the infrared interface, you only need to plug the power adapter into the IN interface.
- If you need to use infrared communication, please make sure your meter is unlocked.
- Connect the PI interface to the meter as shown. Do not use the P1 cable for other devices.

External antenna connection diagram

RoHS
Made in china
