Fire Rated Plastic

We use PC&ABS materials with fire retardant additives to ensure good durability and fire resistance.

Martin Jerry Touch Dimmer Wifi Switch User Manual

Contents

Martin Jerry Touch Dimmer Wifi Switch

READ HERE FIRST !!!

1. The switch must work well manually after installation. If not, go back to the wiring step as below. Single Pole US-SD-TC01 (click here) | 3-way US-STD-TC01 (click here).
2. WiFi router should be 2.4G WiFi. CANNOT support 5G (802.11av).

    a. If you are using the dual band wifi router, please set a separate SSID for the 2.4G

    b. If you are using google wifi, which you cannot set a name for 2.4G, please stay far enough from the wifi router until your phone indicates 2.4G wifi connected.

Video Demo: EZ mode for Wi-Fi Connection:

1. **Download Smart Life App**

Confirm that you have downloaded the right Smart Life App (Same Logo as the right side). If not, download it from the links
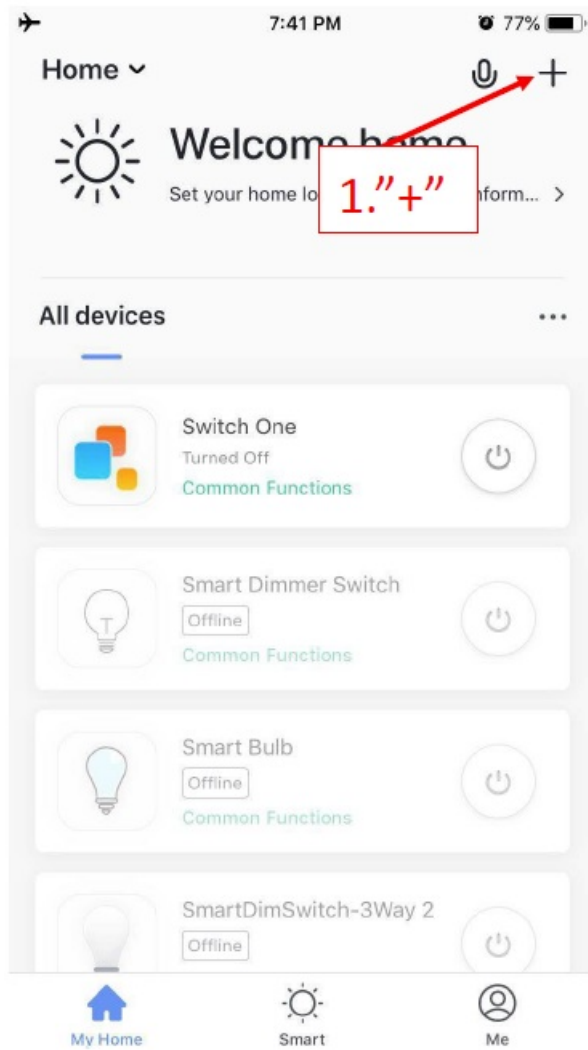

iPhone: **https://itunes.apple.com/us/app/smart-life-smart-living/id1115101477?mt=8**

Android: **https://play.google.com/store/apps/details?id=com.tuya.smartlife&hl=en_US**

2. **Set the Switch to Pairing Mode**

    After wiring, you will see the 2. indicator flashes in **RED** on the switch. If not, press the 3. Wi-Fi Button.

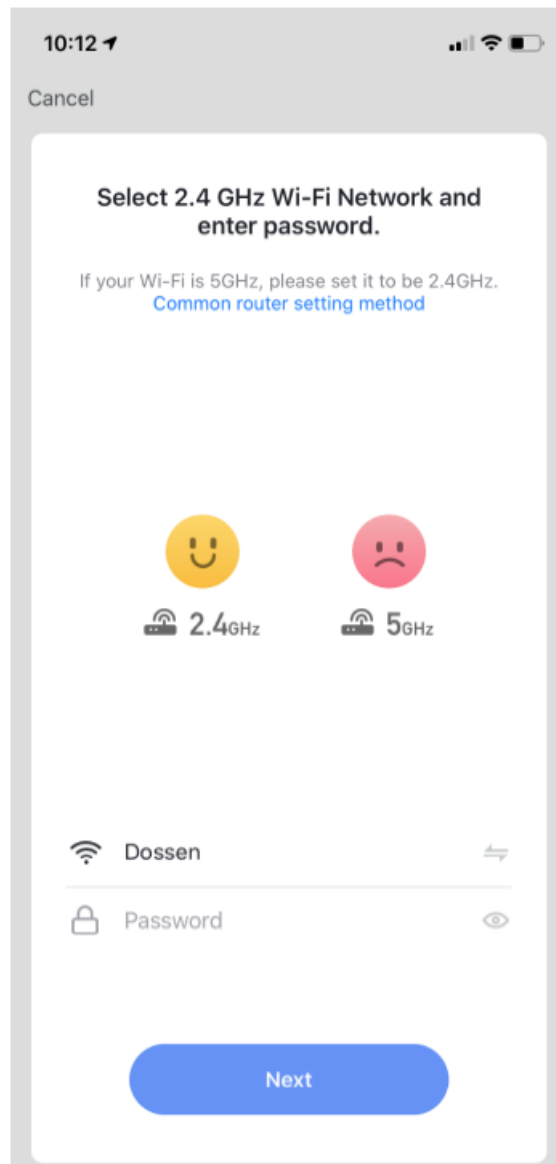

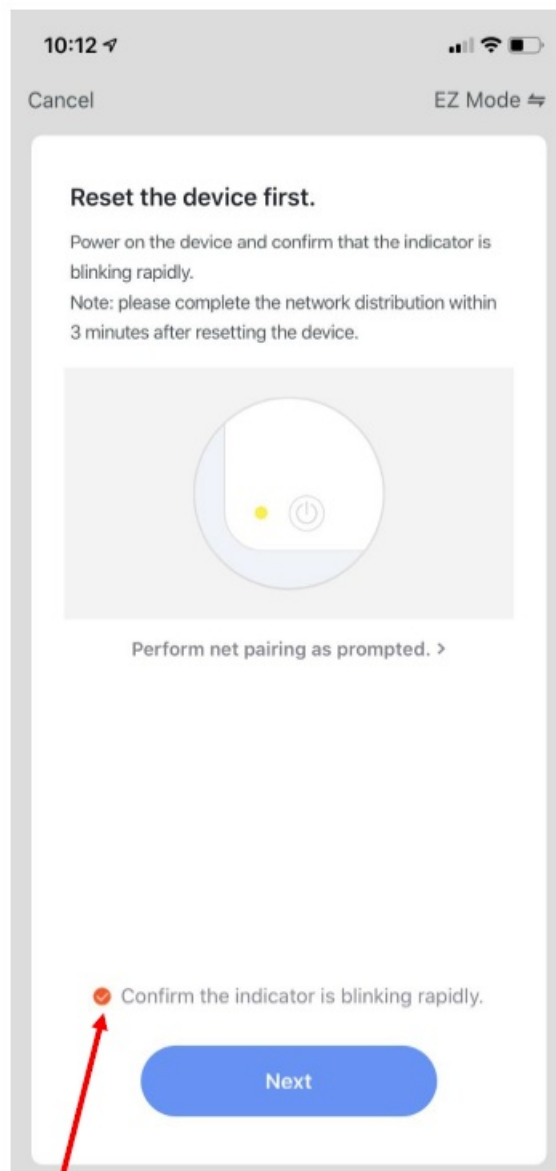

3. **Pair the switch on App**
