MDMAX BOX

1. Connect PC to internet.
Activation required **before** use of device.
2. Go to <https://www.opusivs.com/support/downloads/matco-tools> to download and run application setup*.
3. Connect device to **PC first**.
Then connect the OBDII Cable to the device.
4. Once Windows has finished installing the application, follow on-screen instructions to activate device.

Contact **Opus IVS Support** for J2534 and Device Support:

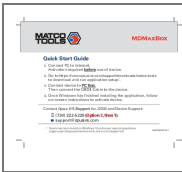

(734) 222-5228 (**Option 2, then 1**)

support@opusivs.com

* Device has been tested on Windows 10 and newer operating systems.
Legacy operating systems may work, but are not supported.
