MATEIN Rolling Backpack

Product Information

- **Specifications:**

- **Material:** Water Resistant Polyester
- **Carry Ways:** Hideaway Telescoping Handle, Padded Handle, Shoulder Straps

Product Usage Instructions

- **Rainy Day Precautions:**

- Since the roller backpack's hidden handle is connected to the main compartment, close the zipper compartment of the hidden handle on rainy days to prevent rain from wetting the main compartment.

- **Backpack Transformation:**

- The back of the backpack has a pocket to hide the shoulder straps.
- To use it as a backpack, pull out the shoulder straps from the pocket and attach them with a buckle.

- **Rainy Day Usage:**

- To prevent rain from soaking the main compartment through the zipper compartment of the handle, it is recommended to carry the backpack on the back during rainy days.

- **Storing Shoulder Straps:**

- When not in use, store the shoulder straps in the designated pocket on the back of the backpack for convenience.

- **About MATEIN:**

- At MATEIN, we aim to provide high-quality backpacks at affordable prices, ensuring every customer finds a backpack they truly enjoy carrying.

FAQs

- **Q: Is the backpack suitable for heavy rain conditions?**
 - **A:** The backpack is made of water-resistant polyester, but it is recommended to take precautions on heavy rainy days by following the instructions provided in the manual.
- **Q: How do I clean the backpack?**
 - **A:** Use a damp cloth with mild soap to gently wipe the exterior of the backpack. Avoid submerging it in water or using harsh chemicals.

DIMENSION

Warm Tips

1. Since the roller backpack's hidden handle is connected to the main compartment, you should close the zipper compartment of the hidden handle on rainy days to avoid rain wetting the main compartment.
2. The back of the backpack has a pocket to hide the shoulder straps, which can be pulled out and attached with a buckle if you want to use it as a backpack.

Suggestion

- To prevent rain from soaking the main compartment through the zipper compartment of the handle, it is recommended to carry the backpack on the back during rainy days.

How To Store

How to store shoulder straps?

There is a pocket on the back of the backpack dedicated to the shoulder straps. The purpose is to prevent the shoulder straps from falling to the ground and soiling the shoulder straps when the backpack is being dragged.

Instructions

1. Unzip the zipper
2. Put shoulder straps completely in the pocket
3. Zip up the pocket
