MATRIX Aura Series 4-Stack Multi-Station

Meet the strength training needs of multiple users and maximize training options with customized Aura Multi-Stations. Our 4-stack configuration allows you to integrate four configurable stations of your choice including Adjustable Pulley (MS24), Lat Pulldown (MS51), Triceps Press (MS52) and/or Low Row (MS53). The Low Row and Lat Pulldown feature dual pulleys for a greater exercise variety, and a bottle and towel holder keep essential accessories easily accessible. In addition to offering a unique aesthetic distinction that attracts more users, our round-tube construction with an automotive-quality powder-coat finish provides lasting strength and durability.
