## Before Getting Started

- Read the instructions carefully prior to assembling the product.
- When you open the package with a sharp tool like a cutter knife, be careful not to damage the components inside.
- Carefully remove all packaging materials and retain for future use.
- Keep all hardware parts and packaging out of reach of small children.
- Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
- Ensure that you have all required contents for complete assembly.
- Take care when lifting. Assemble the product in close proximity to where you intend to position the item.
- Do not over tighten the screws and bolts as this may damage the threads.
- Do not let children play with this product.

### **Risk of suffocation!**

Keep any packaging materials away from children.

## Lamp Care Instructions

- Carefully read through the instruction sheet before assembly and using the product.
- Caution there is a risk of shock. Disconnect from power source before assembling or cleaning.
- Switch off, unplug and allow bulb to cool before replacing bulb or cleaning.
- Only use the recommended bulb type and do not exceed the maximum wattage as it could cause fire.
- Do not plug the product in if cord is torn or frayed.

## Cleaning & Maintenance

- On polished finishes, often using talc powder reduces the appearance of fingerprints and other smudges.
- For respective shade surfaces, use the appropriate cleansers, i.e. glass cleaner, acrylic polish, and wood polish.
- Clean with soft cloth and a mild detergent. DO not use abrasive cleaner.
- Periodically (every 90 days) make sure that the screws are full tightened.
- Prolonged exposure to heat sources may cause glazing, melting and scorching, or even cause color to fade.

## Contents

Before getting started, ensure the package contains the following components:

A	 <p>Body</p>	x1
B	 <p>STEM</p>	x1
