maxisafe DUBBO-4 Elastic Safety Boot Dubbo

Specifications:

- **Upper Material:** Premium top-layer full-grain, water-resistant leather
- **Lining Material:** 60% bamboo, cotton, and polyester blend
- **Footbed Material:** Polyurethane with anti-static fiber
- **Outsole Material:** Premium polyurethane/TPU
- **Toecap:** Composite fibreglass toe cap (protects against impacts up to 200 joules)
- **Shank:** Fibreglass, 100% metal-free
- **Features:** Triple stitching, Poron heel insert for comfort, anti-slip and anti-static properties

Product Usage Instructions

1. Putting on the Dubbo Elastic Safety Boot:
2. Ensure your feet are clean and dry before putting on the boots.
3. Use the pull tabs on the sides of the boot to help slide your foot in.
4. Make sure the boot fits snugly but comfortably around your foot.

Maintenance and Care:

1. Clean the boots regularly with a damp cloth to remove dirt and debris.
2. Allow the boots to air dry naturally away from direct heat sources.
3. Apply a suitable leather conditioner to keep the leather supple and water-resistant.

Safety Precautions:

1. Always wear appropriate socks with the boots to prevent chafing and blisters.
2. Inspect the boots regularly for any signs of damage or wear and tear.
3. Do not use the boots for activities they are not designed for, such as heavy-duty construction work.

Dubbo

For order enquiries please contact us on:

Dubbo, our claret elastic-sided safety boot has been engineered and designed with passion, developed to deliver optimum performance, lightweight construction with the

highest standards of safety, superior comfort, and durability. Features include a composite toe cap, PU/TPU anti-static outsole, and breathable bamboo lining, making our elastic-sided Dubbo steel-free.

Features & Benefits

FAQ

Q: Are the Dubbo Elastic Safety Boots suitable for electrical work?

A: Yes, the boots are anti-static according to AS/NZS standards 2210.3:2009 and EN

ISO 20345:2011, making them safe for electrical work.

Q: How do I determine the correct size for my feet?

A: Refer to the sizing chart provided in the manual or contact us for assistance with selecting the right size for your feet.

Q: Can I replace the footbed in the Dubbo Elastic Safety Boots?

A: While the footbed is made from soft polyurethane, it is recommended to consult with a professional before attempting to replace it to ensure proper fit and safety.
