- Read the operation instructions carefully before mounting the lamp.
- Ensure you have the necessary tools for installation.
- Identify the blue neutral (N) and brown phase (L) wires for connection.
- Mount the lamp securely in the desired location following the provided guidelines.

FEATURES

MORE INFO

Safety Precautions:

- Ensure the lamp is disconnected from the power source before any maintenance or installation.
- Avoid exposing the lamp to moisture or extreme temperatures.
 - Do not attempt to disassemble or repair the lamp yourself; seek professional assistance if needed.

This product complies with EU Directive 2002/96/EC. The crossed bin symbol on the appliance indicates that after use, the product must be disposed of separately from domestic waste, either by taking it to a separate waste disposal site for electric and electronic appliances or by returning it to the dealer. If the disused appliance is collected correctly as separate waste, it can be recycled, treated, and disposed of ecologically; this avoids a negative impact on both the environment and health and contributes to the recycling of the product's materials. For detailed information regarding waste disposal services please contact your local waste disposal agency or the shop where the product was purchased.

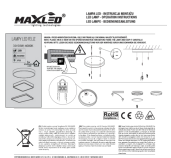

FAQs

- **Q: Can this lamp be used outdoors?**
 - **A:** No, this lamp is intended for indoor use only.
- **Q: Is this lamp dimmable?**
 - **A:** No, this lamp is not dimmable.
- **Q: What should I do if the lamp malfunctions?**
 - **A:** Disconnect the lamp from the power source and contact a professional for assistance.
