Installation Diagram

The installation diagram is a step-by-step visual guide showing the assembly of the decorative lighting fixture. It

includes six main steps, which are represented by numbered illustrations:

1. Attach the mounting bracket to the ceiling with screws.
2. Make electrical connections to the terminal block.
3. Attach the lamp body to the mounting bracket.
4. Install the light bulb into the lamp holder.
5. Place the decorative cover onto the lamp body.
6. Secure the lamp cover by moving it upwards until it is in place.

Dimension

Additionally, there are two diagrams that show the lamp dimensions:

- Top view with dimensions: diameter 85mm.
- Side view with dimensions: height 115mm and diameter 85mm.
