Data Protection

Please be aware that VIDEOSTRONG, its manufacturing partners, the application providers and the providers of the services may collect and use technical data and related information, including but not limited to technical information about this device, system and application software and peripherals. VIDEOSTRONG, its manufacturing partners, the application providers and the providers of the services may use such information to improve its products or to provide services or technologies to you, as long as it is in a form that does not personally identify you. Additionally, please keep in mind that some services provided – already in the device or installed by you – may request a registration for which you have to provide personal data. Besides that, please be aware that some services which are not pre-installed but can be installed may collect personal data even without providing additional warnings and that VIDEOSTRONG can not be held liable for a possible breach of data protection by services not pre-installed.
