Product Information

- Memphis Audio has built a 50-year legacy in the audio industry, engineering high-quality products to provide the best listening experience for fans and supporters. To fully appreciate their products, it is recommended to read and follow the instructions in the manual. Installation and service should be performed by an authorized Memphis Audio dealer.
- For optimal performance, Memphis recommends using only Memphis Connection accessories. Outfitting your system with properly sized Memphis Connection wire and accessories will dramatically boost your listening experience and increase the durability of your Memphis Audio products.
- PRXS112SP bass packages were specifically engineered to produce big bass in a limited space in a convenient, easy-to-install self-powered ultra-slim enclosure.
- Check out the full line of Memphis Audio speakers, amplifiers, and subwoofers to create the perfect system for your ride at www.memphiscaraudio.com.

Product Usage Instructions

Installation and Wiring

This unit is equipped with remote auto turn-on function when using the Hi-level input. Use of the low-level (RCA)

input will require manual turn-on feature.

For the best results, Memphis Audio recommends using a BGGKIT installation kit.

Service & Returns

Installation Information: Memphis Audio recommends installation by an authorized dealer. Attempting installation through an unauthorized source may result in damage to your products and void your warranty.

Warranty

The Memphis Audio PRXKS112SP Bass Package has a one-year warranty from the date of purchase for defects in material or workmanship. This warranty extends to 2 years when installed by a Memphis authorized dealer using Memphis Connection products. The warranty is void if the product has been physically damaged by improper usage or abuse.

For more information on warranty coverage and limitations, please refer to the user manual or contact Memphis Audio directly.

FAQ

Q: How should I handle prolonged exposure to Memphis bass?

A: Prolonged exposure to Memphis bass can cause permanent hearing loss and damage to your ears. Use caution and do not expose yourself to excessive levels of sound.

Q: What happens if repairs are attempted outside of a Memphis Audio facility?

A: If repairs are attempted outside of a Memphis Audio facility, the warranty is void. It is recommended to seek authorized service for any repairs needed.

READY TO TURN IT UP? READ THIS FIRST!
