## INSTRUCTIONS

1. Remove cover. Press the button for 3 seconds to turn on/off
2. Blue LED blinks during temperature rise and stops blinking when temperature rise is complete. Flashing red light indicates low battery.
3. Due to the small size of the barrel, small sections are required. Take a 2cm section of hair & wrap the hair around the barrel.
4. Hold for 5-15 seconds & release the curl.
5. Turn off & apply spiral cover when not in use. Keep away from Children. This product does not contain an adaptor and C-Type Cable. Charging time may vary depending on adapter and cable specifications. Please note the product does not work while charging. Due to battery use, handle part can be slightly warm during use and charging. Please use it with confidence. Please use d.c 5V, 2A adapter and C- type Cable.
