Installation Guide

1. Download the Meross app.
2. Follow the instructions in the Meross app to complete the setup.

Safety information

- It is recommended that the device is used indoors in a dry location only.
- This device shall be used within its rated power included in the product specifications on the label.
- Make sure this device is fully plugged in and kept out of reach of children for safety concerns.
- Do not use the device where wireless devices are not allowed.
- Do not plug in this device one after the other.
- Do not cover the device when operating.
- No voltage only when the plug is disconnected.
- The socket-outlet that supplies power to the smart plug shall be installed near the equipment and shall be easily accessible.
- The device is not intended for use in locations where the temperature may be less than actual room conditions, such as unheated warehouses or garages. Please read the operating information on the minimum and maximum operating temperatures on the manual or the website.
- Do not place near heat sources or heat-producing devices.
- Do not expose this product to mechanical shock such as crushing, bending, puncturing, or shredding. Avoid dropping or placing heavy objects on this product.
- Do not use this product if visible defects are observed or if it has been damaged or modified. Contact our support for assistance.
- Do not attempt to disassemble, open, microwave, incinerate, paint, insert foreign objects into this product.
- Attempting to open or service the unit voids all warranties, express or implied. If you experience problems with the device, discontinue use, unplug the device and contact our support for assistance.
- **Warning:** To reduce the risk of fire or electric shock, care shall be taken so that objects do not fall and liquids are not spilled into the enclosure through the openings.
- Unplug the device during lightning storms or when unused for long periods of time.

Warranty

Meross products are covered by a 24-month limited warranty from date of purchase. Please visit <https://www.meross.com/support/warranty> for detailed warranty policy and product registration.

Support

For technical support, user guide, warranty, FAQs, and other information, please visit <https://www.meross.com/support/>.

Declaration Of Conformity

Meross hereby declares that the device is in compliance with essential requirements and other relevant provisions of directives 2014/53/EU, 2011/65/EU. The original EU Declaration of Conformity may be at <https://www.meross.com/support/eudoc>.

Meross hereby declares that the device is in compliance with the essential requirements and other relevant provisions of the Radio Equipment Regulations 2017. The original UK Declaration of Conformity may be found at <https://www.meross.com/support/ukca>.

Operating Frequency

No restrictions exist in the use of radio frequencies or frequency bands in all EU member states, EFTA countries, Northern Ireland and Great Britain.

Operating Frequency / Max Output Power 2400MHz~2483.5MHz / 20dBm

Disclaimer

1. The function of this smart device is tested under a typical circumstance described in our specifications. Meross does NOT guarantee that the smart device shall perform exactly the same as described under all circumstances.
2. By using third-party services including but not limited to Amazon Alexa, Google Assistant, Apple HomeKit and SmartThings, customers acknowledge that Meross shall not be held liable in any way for the data and private information collected by such parties. Meross's total liability is limited to what is expressly covered in its Privacy Policy.
3. Damages arising from ignorance of the SAFETY INFORMATION shall not be covered by Meross aftersales service, nor does Meross take any legal responsibility therefrom. Customers acknowledge understanding of these articles clearly by reading this manual.
