Package Contents

1 x Smart Wi-Fi switch   1 x User Manual

Installation Guide

Typical wiring diagram:

Download the Meross app

http://bucket-meross-static.meross.com/production/qrcode/meross.html
- Download the Meross app.
- Follow the instructions in the Meross app to complete the setup.

NOTE:

- The Matter device requires Bluetooth to set up. Please make sure the Meres app is granted to access the required system permissions, and the Bluetooth of your smart phone has been enabled.
- If this is not the first time you've added this smart device, you'll have to reset it before going any further.

LED and Button Rules

1. Button

   Press to turn the switch ON or OFF.

   Press and hold (for 5 seconds) until LED turns solid amber to initiate factory reset process.

2. LED

   Solid amber: Initialization/ Reset/ Firmware upgrading mode.

   Flashing amber and green slowly: Configuration mode.

   Flashing green rapidly: Wi-Fi connecting mode.

   Solid green: Successfully connected, and the switch is ON.

   Solid red: No Internet connection, and the switch is ON.

   OFF: The switch is OFF.

FAQ

- What should I do when I can't turn the smart switch on/off manually?

  a) Make sure the smart switch is wired correctly. b) Please pay attention to the difference between input and output sides. c) Make sure that you restore power to the electric appliance.

- What if I can't control the smart device?

  You can try the following troubleshooting steps: a) Ensure that your home

Wi-Fi is working properly. b) Check that access control is disabled on your router and that the smart device isn't blocked by the router's firmware. c) Factory reset your smart device, then try adding it again.
