Migali C-10FM-HC One Section Display Freezer

Specifications

Manufacturer	Migali
Color	White
Compressor Location	Bottom
Cubic Feet	10
Depth (in)	24
Height (in)	63.2
Hertz	60
Hinge Configuration	Right

NEMA	5-15P
Phase	1
Product	Display Freezers
Product Type	Commercial Refrigeration
Rating	Good
Refrigerant	R290 (Hydrocarbon)
Sections	1
Series	Competitor Series®
Special Features	Casters Included – Installed
Special Features	LED Lighting
Special Features	Lit Signage Area
Special Features	Self Contained
Voltage	115
Warranty	2-year Parts & Labor; 5-year Compressor
Width (in)	24.2
Weight	224.00

PRODUCT Description

- Designed to showcase frozen products clearly, the bright interior lighting and top display sign on the Migali C-10FM-HC one-section display freezer with/ swing door help draw attention to merchandise. Its triple-pane heated glass door enhances visibility, while the white steel construction offers durability. Pre-installed casters provide mobility for flexible placement in retail settings.
- Engineered for reliable frozen storage, the Migali C-10FM-HC one-section display

freezer with/ swing door features a user-friendly digital controller that maintains interior temperatures between -10 to 0 degrees Fahrenheit. The bottom-mounted compressor improves accessibility for service, while the forced air system ensures even cooling. Additional features include secure door locks and an energy-saving heated glass panel.

Product Details

- Competitor Series®
- 10-cu.-ft. interior capacity
- White powder-coated steel exterior and interior
- 1 right-hinged swing door with low-E triple-pane heated glass
- 3 shelves
- Ergonomic construction with recessed door handles
- LED interior lighting
- Brightly lit top display sign
- Heavy-duty ABS extruded door frame
- Pre-installed casters

Refrigeration System

- R290 natural hydrocarbon refrigerant
- Self-contained, bottom-mounted compressor
- Forced air refrigeration system
- Digital temperature controller with read-out
- Temperature range: -10 to 0 degrees F

Dimensions & Utilities

- Interior: 20¹/₅ in. W x 17 in. D x
- Overall: 24¹/₅ in. W x 24 in. D x 63¹/₅ in. H
- 6.3 A, 2/5 HP
- 115 V/60 Hz/1 ph, cord with NEMA 5-15P plug

Product Features

TRIPLE-PANE HEATED GLASS DOOR

Minimizes condensation for clear product visibility

RECESSED DOOR HANDLES

Create a streamlined appearance and prevent snagging

ERGONOMIC DESIGN WITH ROUNDED CORNERS

Promotes user safety and workplace efficiency

WHITE POWDER-COATED STEEL EXTERIOR & INTERIOR

Supports durability and a clean, professional look

FORCED AIR REFRIGERATION SYSTEM

Delivers consistent and even temperature distribution

BOTTOM-MOUNTED COMPRESSOR

Improves efficiency and accessibility for maintenance

- Image may not depict product color, inclusions, or accessories.

Additional Product Information

- This product includes a cord and plug
- Product made with Hydrocarbon Refrigerants
- Ships with casters pre-installed for easy mobility
- This product comes with a NEMA 5-15P plug

Warranty

- **(2) Year Labor Warranty:** Migali warrants to the original purchasers of the Migali unit sold a 2 Year Service Warranty, which begins at the date of registration or (90) days from the date of shipment by us, whichever is earlier. Migali reserves the right to service the unit only with an authorized Migali service agent. Unauthorized service of the unit is not subject to this warranty. The term "original purchaser" as used herein

shall be deemed to mean that person, firm, association or corporation for whom the refrigeration unit referred to herein is originally installed at the original location; units moved or transferred to alternate locations).that differ from the original registered or shipped to location without pre-approval from Migali, will not be subject to this warranty. The Migali warranty is subject to indoor, commercial locations only; units that are installed at residential and/or outside locations are not included in this warranty. In addition, this warranty does not include units installed on food trucks, boats, or any location using electricity originating from a generator.

- **(2) Year Parts:** Migali warrants to the original purchaser the Migali unit sold and all parts thereof to be free from defects in material or workmanship, under normal use and service for a period of 2 years, from the date of registration, or (27) month from the date of shipment by us, whichever is earlier. Our obligation under this warranty shall be limited to repairing or replacing F.O.B. factory any of such product which proves thus defective and which our examination shall disclose to our satisfaction to be defective. Transportation Charges for Warranty Parts are to be prepaid by Cthe claimant. Any part returned to Migali under the terms of this warranty must be accompanied by a record of the cabinet model number, serial number, and return authorization number, and such return shall be on the basis of transportation charges prepaid.
- **(5) Years Compressor:** Migali warrants the hermetically sealed compressor for (5) years, not to exceed (63) months from the date of shipment from our plant, provided, upon receipt of the compressor, manufacturer examination shows the sealed compressor to be defective. This extended warranty does not apply to any electrical controls, accumulator, starting component,s or wiring harness, which items are covered by the parts warranty listed above. Transportation Charges for Wthe warranty Compressor are to be prepaid by the claimant. The compressor warranty is valid for (1) compressor per refrigeration unit. Migali reserves the right to void this warranty due to the following:
 - Improper operation due to low voltage conditions, inadequate wiring, and accidents or damages that are not manufacturing defects. These are strictly the responsibility of the purchaser.
 - Condenser coils must be cleaned at regular intervals or at least once per month. Failure to do so can cause compressor malfunction and/or clogged capillary tubes, which will void the warranty.

- These units must operate in normal ambient conditions, temperatures of 90° F and 55% relative humidity or less. Overheating due to excessively hot environments may void this warranty.
- These units are for indoor use only. No claims can be made against this warranty for loss of product. This contract does not apply outside the limits of the USA or Canada, nor does it apply to any part which has been subject to misuse, neglect, alteration, accident, or to any damage caused by transportation, flood, fire, or the acts of God. Labor costs are not included with the compressor warranty unless the compressor failure occurs within the guidelines outlined in the (2) Year Labor Warranty section listed above. These warranties are instead of all other warranties, expressed or implied, and all other obligations or liabilities on our part, and we neither assume nor authorize any other person to assume for us any other obligation or liability in connection with the sale of said refrigeration units or any part thereof. This warranty shall not be assignable and shall be honored only in so far as the original purchaser.
- MIGALI ASSUMES NO RESPONSIBILITY FOR INCIDENTAL, CONSEQUENTIAL, OR OTHER DAMAGES, INCLUDING, BUT NOT LIMITED T, LOSS OR PROPERTY DAMAGE, LOSS OF PROFITS OR REVENUE, LOSS OF THE UNIT, LOSS OF STORED PRODUCT, LOSS OF TIME, OR INCONVENIENCE. WARRANTIES ARE VALID FOR MIGALI BRAND EQUIPMENT ONLY. WARRANTIES ARE NOT VALID UNLESS THE PURCHASED ITEM AND D CORRESPONDING INVOICE ARE PAID IN FULL ACCORDING TO MMIGALI'S TERMSAND CONDITIONS
- All Warranty Service Calls must be pre-approved by Migali® before contracting service agents or purchasing over-the-counter parts for reimbursement. YOU MUST REGISTER YOUR MIGALI PURCHASE FOR THIS WARRANTY TO BEGIN.
