A: If the app does not launch, try restarting your Meta Quest 2 and launching the app again. If the issue persists, contact Behnam Razipour for support.

- **Q: Is MindsetXR compatible with other VR devices?**

A: MindsetXR is specifically designed for use with Meta Quest 2 and may not be compatible with other VR devices.

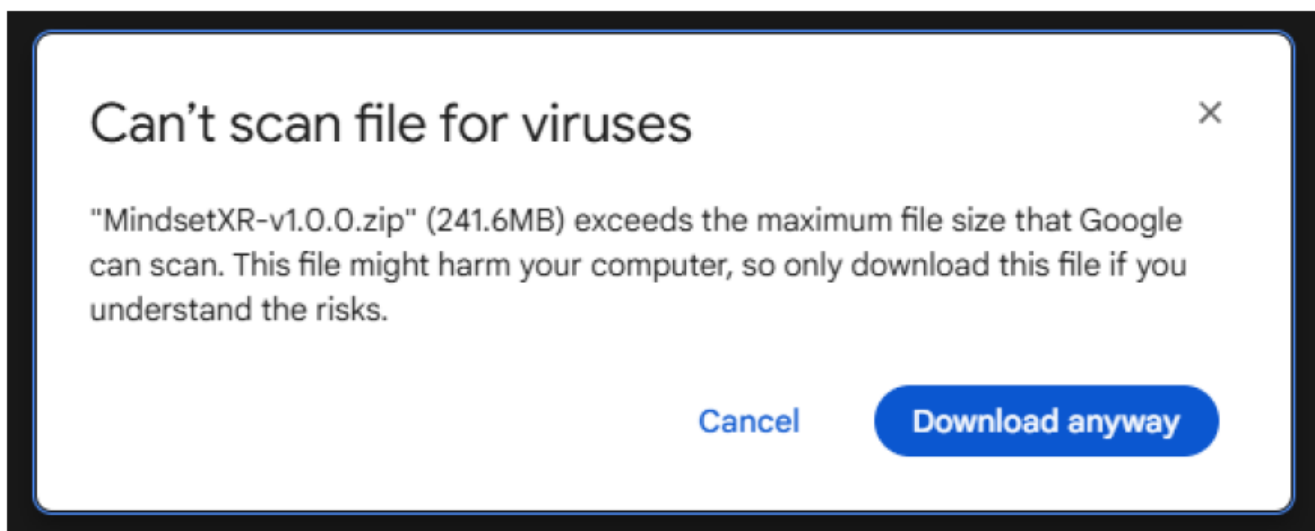

Installing MindsetXR on Meta Quest 2

Step 1:

- Click on “MindsetXR-v1.0.0.zip”.

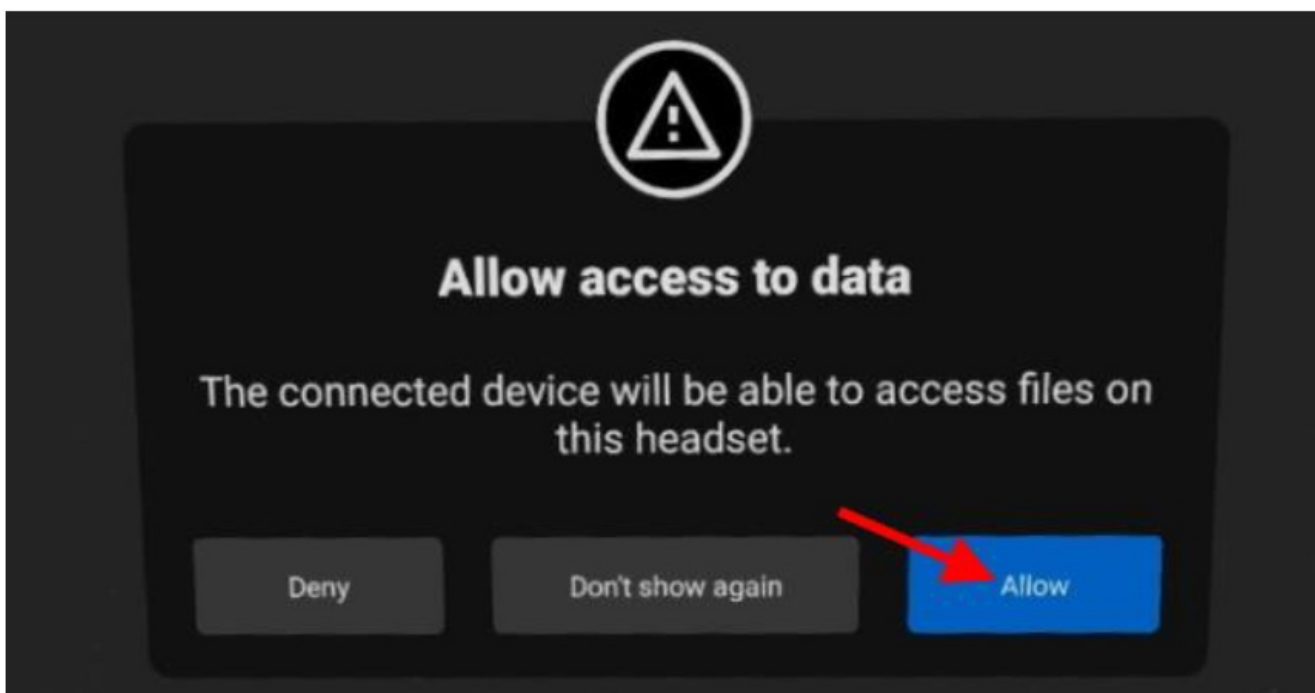

- Click the “Download Anyway” button to save the file to your computer.

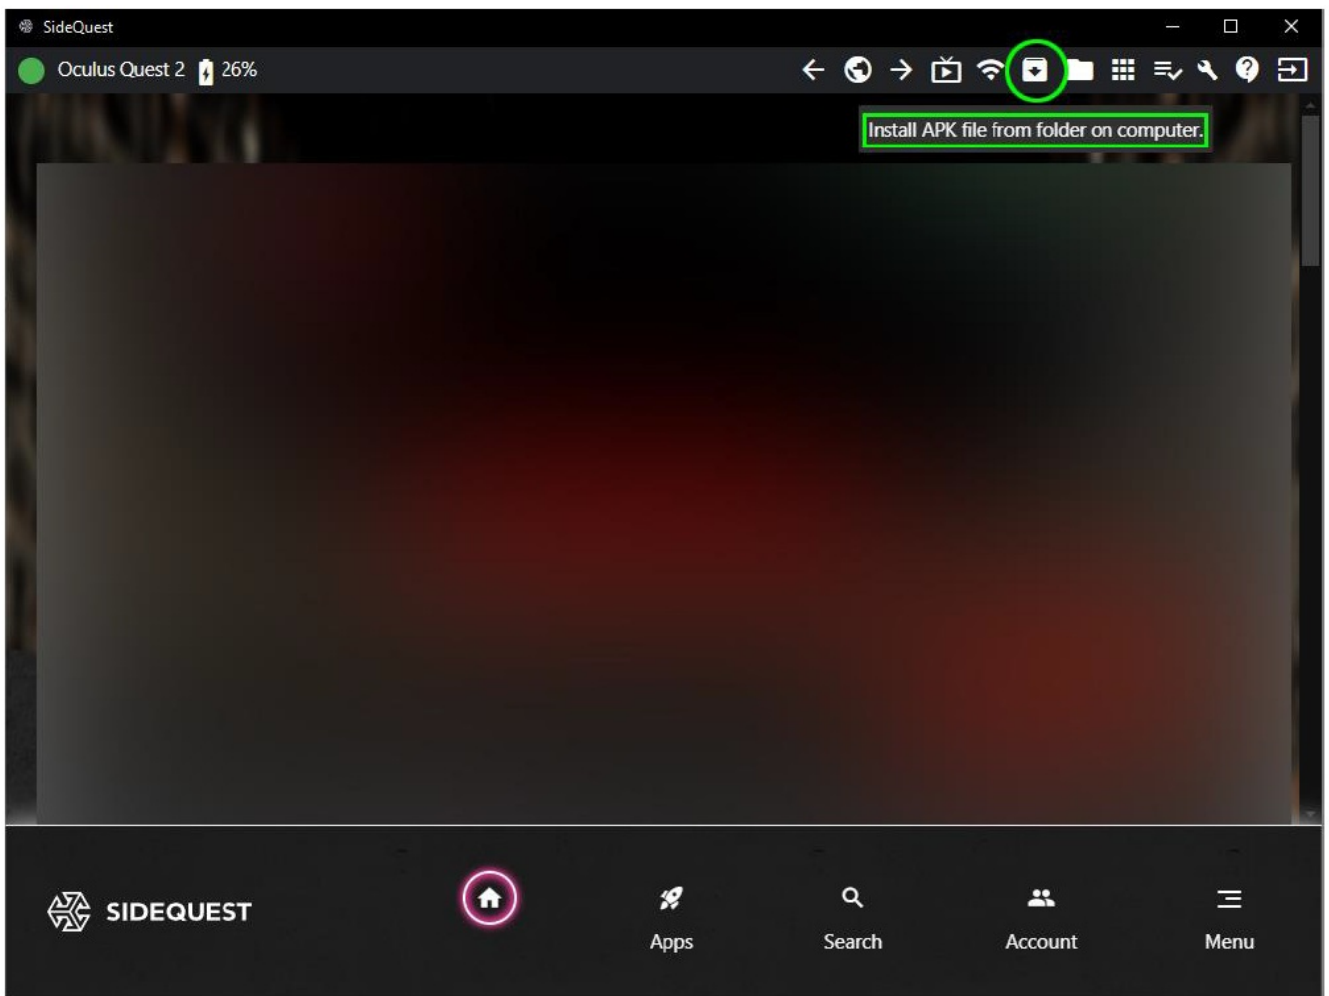

- Extract the file and open the “MindsetXR-v1.0.0” folder; you should find “MindsetXR-Android-Shipping_universal.apk” in that folder. This is the file you need to install on your device.
- Download & Install SideQuest from <https://sidequestvr.com/download> (Advanced Installer Recommended).

Step 2:

- Connect your Meta Quest 2 headset to your computer using the provided cable from your package.
- Put on the VR headset for a moment and click on the “Allow” button (Do not disconnect the cable).

- Take off the VR headset and run SideQuest on your computer.
- Click the “Install APK file from a folder on a computer” button, then browse to select “MindsetXR-Android-Shipping_universal.apk”.

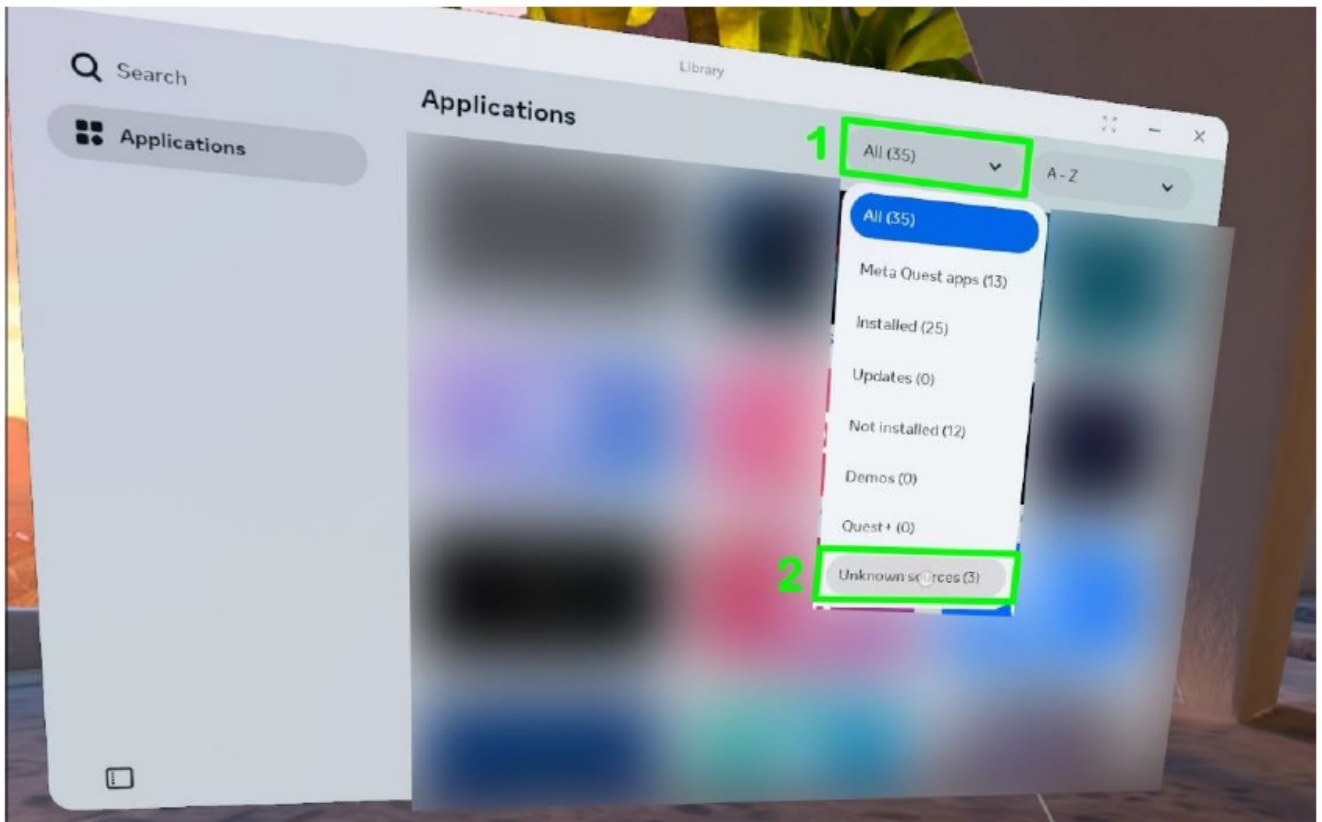

- Please wait until the installation is complete.

Step 3:

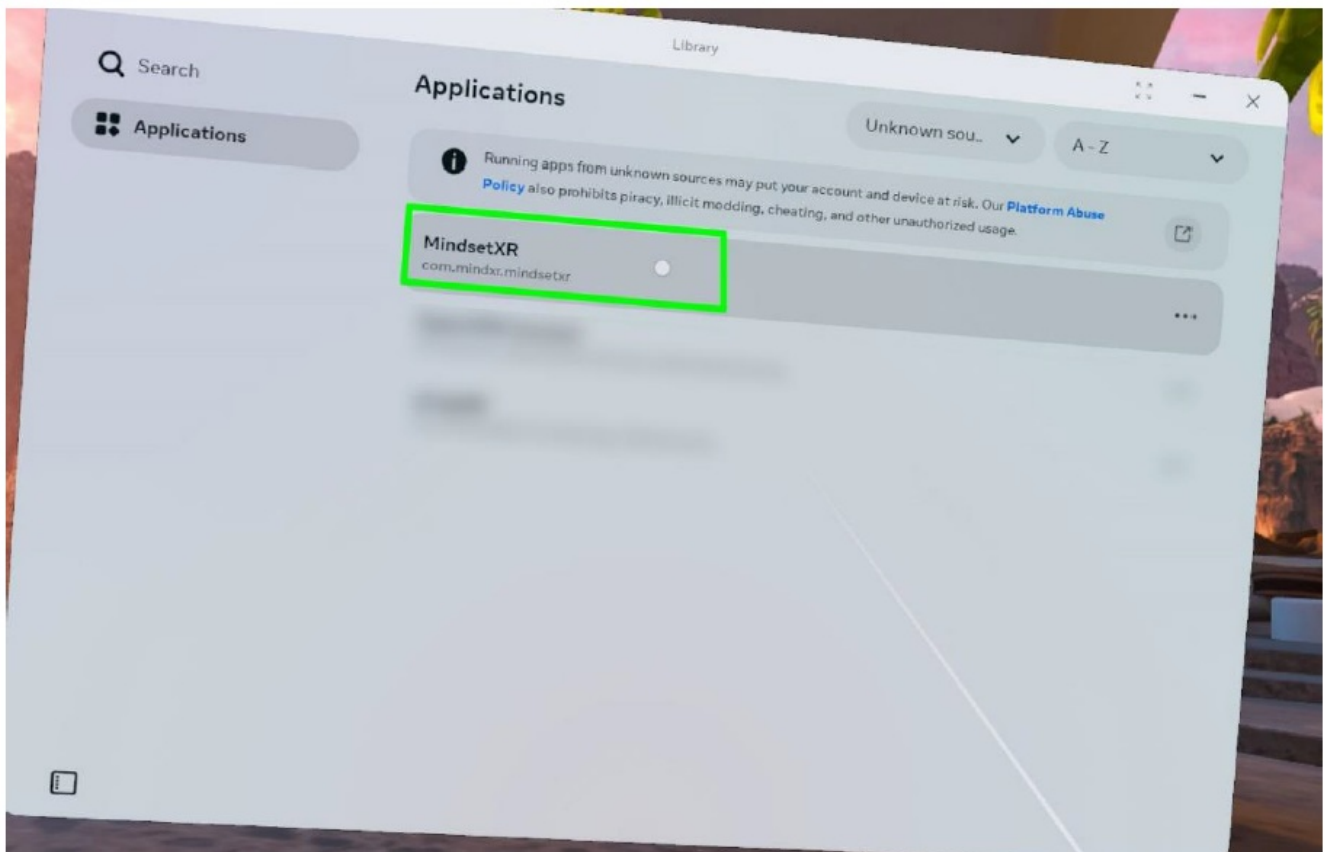

- Put on the VR headset.
- In the virtual reality environment, click on the App Library.

- Click on "All" then "Unknown Sources".

- Click on "MindsetXR" to run the app and enjoy!

If you encounter any problems during installation or need further assistance, please contact Behnam Razipour at his email, b.razipour@gmail.com.
