Minetom Artificial Ivy-Vines Fairy Lights

INTRODUCTION

Create a whimsical, ethereal ambiance in any room with the Minetom Artificial Ivy-Vines Fairy Lights. At a mere **\$17.99**, this two-pack set includes six-foot-long strands that are festooned with 72 warm white LED lights, thereby enhancing the ambiance and sophistication of bedrooms, dormitories, or party settings. This battery-operated string light set, which was introduced in 2023 by Minetom, a reputable brand in the creative lighting industry, is ideal for indoor use. It seamlessly integrates the soft radiance of fairy lights with the faux ivy aesthetics. The flexible placement of the cordless design, which is powered by three AA batteries, eliminates the necessity for adjacent outlets. It is the perfect choice for a low-maintenance environment due to its built-in timer function, which allows you to program it and forget it (6 hours on, 18 hours off). Minetom's ivy string lights are a magical addition to any setting, whether it be for a warm night in or a decorative addition to your next celebration. They are conveniently packaged and ready to be given as a gift.

PRODUCT DETAILS

Artificial ivy lighting

Artificial ivy lights are the preferred choice for indoor, outdoor, celebration, and holiday decorations. They can enhance the romantic ambiance of the party, enabling you, your family, and friends to have a memorable and enjoyable time.

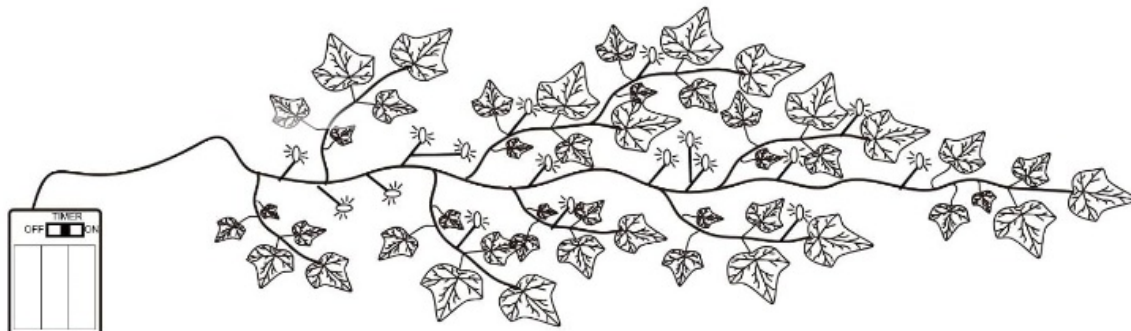

Artificial Ivy String Lights: What is the reason for selecting us?

- This 6-foot string of 72 LED vine lights is packaged in a gift box and makes a thoughtful gift for your family and friends.
- The ivy fairy lights will establish a comfortable and tranquil ambience with their consistent, mild white illumination.
- Change to a timer to automatically set the illumination for 6 hours and the device to turn off for 18 hours.
- Only three AA-sized batteries are required.
- Utilising the adaptable vine decor as a charming decor addition to a dorm, living room, or party.

Decorations for weddings and parties that are romantic

Our artificial ivy string lights are an ideal choice for a variety of occasions, including weddings, birthdays, Valentine's Day, anniversaries, Christmas, receptions, and festivals.

operated by three AA batteries

The vine fairy lights require only three AA-size batteries to operate, and their unique design and craftsmanship may transport you to a surreal world.

Leaves that are realistic in appearance

Leaves are endowed with a clear texture and variegated green color as a result of exquisite dyeing technology. The fake leaves are arranged in a natural 3D shape and grow vigorously from the stems in a variety of orientations.

Hanging artificial vines with lighting for outdoor decoration

The hanging leaves decoration with lights is appropriate for a variety of settings, including the patio, yard, plant wall décor, balcony, fence, garden, gate pillar, trellis,

swing, rockery, and windows curtain.

Ivy vines illuminated for restaurant décor

These ivy fairy lights will render you in a state of tranquillity and ease. Enhance your atmosphere while dining

Lighted ivy tendrils for home decor

Ivy string lights can enhance the illumination and foliage of any area, including the wall, bedroom, living room, apartment, kitchen, staircase, bookshelf, window, door, ceiling, office, mirror, lamp, and greenery backdrop.

WHAT’S IN THE BOX

- vy-Vines Fairy Lights
- User Manual

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights won’t turn on	Dead or improperly installed batteries	Replace or reinsert batteries correctly
Timer function not working	Incorrect timer setting or battery issue	Reset timer; ensure fresh batteries are used
Dim lighting	Low battery power	Install a new set of AA batteries
Flickering lights	Loose battery connection	Reposition batteries and ensure contact points are clean
Ivy vine has strong odor	Packed too long in enclosed box	Air out the vines in a dry, ventilated space for a few hours

Issue	Possible Cause	Solution
One strand not lighting	Switch not turned on or wiring issue	Check battery switch; inspect for loose wires
Lights turn off unexpectedly	Timer mode active	Check if timer mode is on (auto shut-off after 6 hours)
Uneven lighting on the strand	Weak contact or partial wire issue	Gently adjust wiring or test with new batteries
Battery compartment won't close	Batteries not seated correctly	Realign the batteries and secure the lid firmly
Ivy detaching from light strand	Adhesive or binding may be loose	Use small zip ties or floral wire to reattach securely

PROS & CONS

Pros

- Beautiful ivy design with soft, warm lighting.
- Battery-powered and cordless for easy setup.
- Built-in timer for convenient automatic operation.
- Waterproof for worry-free indoor use.
- Lightweight and flexible for versatile décor.

Cons

- Requires 3 AA batteries (not included).
- Not suitable for outdoor use.
- Slight plastic odor when first unpacked.
- No remote control included.
- Light intensity is decorative, not functional.

WARRANTY

The Minetom Artificial Ivy-Vines Fairy Lights come with a standard **1-year limited warranty**, covering manufacturing defects and faulty components under normal use. Customers are advised to retain proof of purchase and original packaging for any warranty claims. Damage due to misuse, water exposure (beyond specified limits), or battery leakage is not covered.

FREQUENTLY ASKED QUESTIONS

What is the brand and model of these ivy string lights?

These are Minetom 2 Pack 6 Ft. Ivy String Lights with 72 warm white LED bulbs, designed for indoor decoration.

How are the Minetom Ivy String Lights powered?

They are battery operated, requiring 3 AA batteries per string (batteries not included).

What lighting modes do the Minetom Artificial Ivy Vines offer?

The lights have a steady warm white mode and a timer function that keeps lights on for 6 hours and off for 18 hours automatically.

How long is each Minetom ivy string light?

Each string light is 6 feet long with 72 LED lights evenly spaced along the artificial ivy vines.

How do I mount or arrange the Minetom Ivy String Lights?

The flexible vine design allows easy mounting on walls, windows, shelves, pergolas, banisters, or even wrapping around furniture and railings.

What should I do if some LEDs on my Minetom Ivy Lights dont light up?

Check the battery level and ensure proper battery installation. Also inspect for broken wires or loose connections along the string.

How long will the batteries last on the Minetom 6 Ft. Ivy String Lights?

Battery life varies by usage but typically lasts for several days to weeks depending on timer and brightness settings.
