4. The imported music files will be synchronized to the iPhone in real time
5. Restart and switch to music Rhythm Interface to see the newly imported music files

FCC STATEMENT

Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.

Warranty Policy

- **30-day money-back guarantee for any reason**

For 30 days after the date of purchase, return your undamaged product and receive a full refund for ANY reason.

- **12-month warranty for quality-related issues**

For 12 months after the date of purchase, we take care of all quality-related issues with a REPLACEMENT OR FULL REFUND.

Reminder: Be sure to use your product as directed.

FAQ

Q: Can I modify the device for additional features?

A: No, any changes or modifications not approved by the manufacturer may void your warranty and affect the device's performance.

Q: What should I do if I experience interference during operation?

A: If you encounter interference, try adjusting the device’s position or check for nearby electronic devices causing the interference. Ensure proper distance from other devices.
