**MINISO EBS-1005 Wireless Soundbar with Colorful Lights**

**PLEASE READ THIS MANUAL CAREFULLY BEFORE USING THE PRODUCT AND KEEP IT PROPERLY**

### **DEAR CUSTOMER**

Thank you for using Miniso Wireless Speaker. Please read this manual carefully before use. Using it properly for best product performance. MINISO Wireless Speaker has a stylish appearance, true-to-life sound, and multiple functions. The whole series has the patent of appearance design. The system adopting the industry-leading technology enables you to enjoy excellent sound effects anytime at home, outdoors, during a trip, or during work. It provides the perfect experience when you play music on your laptops, digital music players, and other audio-visual players, leading you to a better life with beautiful music!

### **CAUTIONS**

1. Store and use it at room temperature.
2. Do not expose it to rain or moisture.
3. Do not throw the product to avoid damage caused by dropping.
4. Do not disassemble, modify or repair the product yourself.
5. This product is equipped with an irreplaceable built-in lithium battery. Do not discard it or toss it in the fire to avoid danger.
6. To prevent its performance from being interfered with, keep it away from strong magnetic objects.
7. If you are not going to use it for a long time, charge the speaker once every 3 months to extend the lifespan of the battery.

- **Volume +**

Long press (+) button
- **Volume –**

Long press (-) button

## ACCESSORIES

- Speaker x 1,
- Charging Cable x 1,
- User Manual x 1

## TROUBLESHOOTING

1. **The wireless speaker is unable to be paired with the cell phone.**

Solution: Confirm if the wireless speaker is in pairing mode and if the Bluetooth on your phone is toggled on.

Then delete the product in the list, pair it with your phone again according to the User Manual.

**2. The wireless speaker is unable to be turned on.**

Solution: Confirm the battery level. Charge the speaker if it is needed.

**3. Can the battery of the wireless speaker be replaced?**

Solution: No, this is a lithium polymer battery, which is irreplaceable.

**4. Can I use the wireless speaker at a high volume for a long time?**

Solution: To extend the lifespan of the wireless speaker, it is not recommended to play it at a high volume for a long time.

**5. The link between the wireless speaker and the cell phone has been disconnected within 10 meters.**

Solution: Bluetooth is wireless so it is very sensitive to objects between the speaker and the connected device. Check if there are any metal or other objects that may affect connection within the effective distance.

**6. Cannot hear audio playing when the speaker is connected to the computer or phone.**

Solution: Check whether the computer's audio output is already connected to the wireless device and whether the Bluetooth in the computer supports the A2DP protocol. Make sure the volume is up on your phone or computer.

**7. Can I operate the Apps on my phone through the speaker after pairing the wireless speaker with the phone?**

Answer: Some apps may not support being operated through the speaker due to their settings.

## **FCC Warning**

This device complies with Part 15 of the FCC Rules, Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

### **Caution:**

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

### **NOTE:**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## **FCC Radiation Exposure Statement:**

The device has been evaluated to meet the general RF exposure requirement. The device can be used in portable exposure conditions without restriction. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

**IC Warning:**

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science, and Economic Development Canada’s license-exempt RSS(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. The device has been evaluated to meet the general RF exposure requirement. This equipment should be installed and operated with a minimum distance of Omm between the radiator & your body.
