SETUP GUIDE

- **Unpack the Toy:** Take Minnie Mouse out of the box and make sure all of the parts are inside.
- **Check for Damage:** Before using, look for any flaws or damage that you can see.
- **Insert Batteries:** Open the battery box, which is usually in the back, and put in two AAA batteries, making sure they are facing the right way.
- **Power on the Toy:** Make sure the toy is turned on, which is normally done by a switch next to the battery compartment.
- **Get to Know the Features:** Press Minnie's foot or stomach to start singing, and watch her bow light up.
- Get kids to play by telling them to press Minnie's button to hear her sing and talk to her.
- **Watch Interaction:** Keep an eye on playtime, especially for younger kids, to make sure that exchanges are safe.
- **Make Up Play Scenes:** Use Minnie with other toys or figures to make up stories for play.
- **Take Part in Play:** While your child plays with Minnie, interact with them to make the experience better and build a link.
- **How to Store It:** Keep Minnie in a clean, safe place when she's not being used to keep her from getting broken.
- **Periodically Test Features:** Make sure that the singing and light-up features work properly on a regular basis.
- **Introduce New Games:** To have even more fun, encourage your child to make up new games or songs with Minnie.
- **Sing-Alongs:** To help your child learn music, encourage them to sing along with Minnie.

- **Encourage Play with Other Toys:** To encourage social play, include Minnie in play with other toys.

CARE & MAINTENANCE

- **Regular Cleaning:** Use a damp cloth to wipe down the outside to get rid of any dirt or spots.
- **Avoid Submerging in Water:** To keep Minnie in good shape, don't put her in water; instead, clean the surface of the toy.
- **Look for Wear:** Always look for signs of wear, especially around the seams and cloth.
- **Store in a Dry Area:** To keep Minnie in good shape, keep her in a cool, dry area.
- **Avoid Direct Sunshine:** To keep the colors from running, store the plush out of direct sunshine.
- **Check the Condition of the Battery:** Check the battery area often for corrosion or damage from leaks.
- **Change Batteries as Necessary:** If the sounds get weak or stop working altogether, you need to change the batteries.
- **hard Chemicals:** Bleach and other hard cleaners should not be used on the plush material because they can damage it.
- **Keep Out of Reach of Pets:** Keep Minnie out of reach of pets so they can't chew on it or hurt it.
- **Sew Loose Threads Back Together:** If any of the threads are breaking, sew them back together to keep the toy looking good and make it last longer.
- **Watch out for safety:** Make sure that all the stitched details and features stay in place and don't pose a choking risk.
- Keep Minnie away from open fires and other sources of high heat.
- **Check Functions Regularly:** Make sure the singing and lighting features work properly by testing them from time to time.
