Product Introduction

- This Scene Switch is powered by battery, which is developed under ZigBee/BLE communication. After connecting with ZigBee/BLE gateway and adding into Smart life App, it allows you to quickly “set the scene” for a particular room or living scene, like Reading, Movie, and so on.
- Scene Switch is a time and energy-saving item alternative to the traditional hard-wired switch, with push button design. It can be stick on the wall or put it on everywhere you like.

Scene Switch with Your Smart Home
