MONDOLUX ANGLO-EU-PLUG 2 Pin Flex and Plug Installation Guide

Contents

**MONDOLUX ANGLO-EU-PLUG 2 Pin Flex and Plug**

Notes

- This product complies with EN 50075:1990 (flat two-pole plugs without reconnectable, without ground contact, rated voltage 250 V AC, rated current 2.5 A)
- Do not interchange any parts of this product.
- If you have any questions regarding the installation of this product, please contact Mondolux.

Installation Steps

1. Unscrew the latches on the base side of the remote controller.
2. Disconnect the existing flex cable from the controller.
3. Insert 2 wires into each socket on the primary side of the controller.
4. Screw the latches back onto the controller.
5. Installation is complete.
