Customization Instruction

1. The key/ lighting effects and other advanced customization can be realized in the VIA program.
2. Please visit monsgeek.com/download/ to download the VIA program.

MONGEEK Warranty and Service Statement

1. MONGEEK provides a One-Year warranty for customers in mainland China. For other regions, please contact your seller (MonsGeek distributor) for specific warranty policy.
2. If the warranty window expires, customers need to pay for repairs. MONGEEK will also provide instructions if users prefer to repair the keyboard by themselves. However, users shall take full responsibility for any loss that happened during self-repair.
3. Disassembling the keyboard without the manufacturer/seller's instruction will immediately void the warranty.
4. The return and warranty policy may vary in different platforms and are subject to the specific distributor at the time of purchase.

Precautions Man-made damage is not limited to immersion, falling off, and pulling off the wires with excessive forces, etc.
