Warranty and Service Statement

1. MONSGEEK provides a One-Year warranty for customers in mainland China. For other regions, please contact your seller (MonsGeek distributor) for a specific warranty policy.
2. If the warranty window expires, customers need to pay for repairs. MONSGEEK will also provide instructions if users prefer to repair the keyboard by themselves. However, users shall take full responsibility for any loss happens during self-repair.
3. Dissembling the keyboard without the manufacturer/seller's instruction will immediately void the warranty.
4. The return and warranty policy may vary on different platforms and are subject to the specific distributor at the time of purchase.

Precaution
Man-made damage is not limited to immersion, falling off, pulling off the wires with excessive force, etc.
