Lock Win Key	
Press Fn and left Win key	

Restore Factory Settings	
Hold down left Win and right Win keys for 5s	

WIN System $\rightleftharpoons$ MAC System	
Hold down Fn and O keys for 3s	

## Bluetooth Pairing

After turning on the keyboard, press FN+E/R/T to enter Bluetooth mode. Press and hold the FN+E/R/T combination key for 3 seconds to put the keyboard in pairing mode, with three LED indicator lights flashing quickly. Once the connection is established, the indicator light will stay on for 2 seconds. If the device fails to connect, the indicator light will turn off and the keyboard will enter sleep mode.

### 2.4G Pairing

After turning on the keyboard, press FN+Y to enter 2.4G mode. Then press and hold the FN+Y combination key for 3 seconds to enter pairing mode, with the three indicator lights flashing quickly, and insert the USB receiver. Once pairing is successful, the LED indicator lights will return to normal. If no available device is found within 30 seconds, the three LED indicator lights will turn off, and the keyboard will enter sleep mode.

## MONGEEK Warranty and Service Statement

1. MONGEEK offers a One-Year warranty for customers in mainland China.

For other regions, please contact your seller (MonsGeek distributor) for specific warranty details.

2. If the warranty period expires, customers are responsible for repair costs.

MONGEEK provides instructions for self-repair if preferred, but users assume full responsibility for any losses incurred during the process.

3. Disassembling the keyboard without manufacturer/seller's instruction will void the warranty immediately.

4. Return and warranty policies may vary across platforms and are subject to the specific distributor's terms at the time of purchase.
