Contents

**moonki MS-1200B Two Way Active Speaker**

Product Information

The product is a speaker box that is designed to provide high-quality sound for indoor and outdoor use. The speaker box should be protected from moisture and wet places as it may cause malfunction or shock hazards. The product comes with a power cord that should be handled with care to avoid any risks. The speaker box has a rechargeable battery that needs to be charged fully before use to ensure better battery life. Please note that playing the speaker box and charging the battery at the same time may affect battery life.

Product Usage Instructions

1. Before using the speaker box, make sure to charge the battery fully for better battery life.
2. Avoid exposing the speaker box to moisture and wet places. If it is set up outdoors, make sure it is under cover.
3. If the power cord is broken, do not attempt to fix it yourself. Contact the manufacturer or a qualified service agent for replacement to avoid any risks.
4. To clean the speaker box, use a soft, dry cloth only.
5. Do not play the speaker box and charge the battery at the same time as it may affect battery life.

Following these usage instructions will help ensure safe and effective use of the product, as well as prolong its lifespan.
