MOTOROLA SOLUTIONS R7 Series Portable Two Way Radios

USER MANUAL

MOTOTRBOTM R7 Series

Your Quick Reference Guide

This Quick Reference Guide covers the basic operation of the radio. Your radio will need to be provisioned before use. This is typically done by your dealer or system administrator and customized for your specific needs. For more operational details and provisioning information, refer to the following manuals at https://learning.motorolasolutions.com.

R7 Series User Guide	MN007848A01
R7 Provisioning Guide	MN007868A01

Important Safety Information

RF Energy Exposure and Product Safety Guide for Portable Two-Way Radios Product Safety and RF Exposure Compliance

Caution: Before using this product, read the operating instructions for safe usage contained in the Product Safety and RF Exposure booklet enclosed with your radio.

ATTENTION!

This radio is restricted to Occupational use only. Before using the radio, read the RF Energy Exposure and Product Safety Guide for Portable Two-Way Radios which contains important operating instructions for safe usage and RF energy awareness and control for Compliance with applicable standards and Regulations.

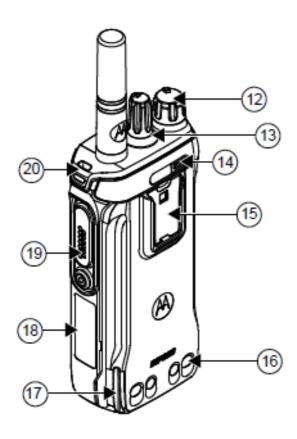

Computer Software Copyrights

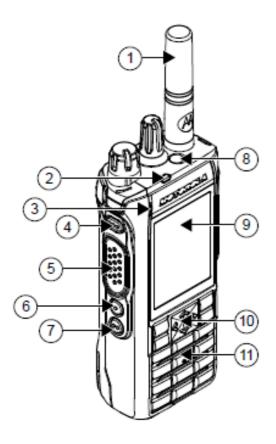

The Motorola Solutions products described in this manual may include copyrighted Motorola Solutions computer programs stored in semiconductor memories or other media. Laws in the United States and other countries preserve for Motorola Solutions certain exclusive rights for copyrighted computer programs including, but not limited to, the exclusive right to copy or reproduce in any form the copyrighted computer program.

- 1. Not for Non-Keypad models.
- 2. Not for R7a model.

Accordingly, any copyrighted Motorola Solutions computer programs contained in the Motorola Solutions products described in this manual may not be copied, reproduced, modified, reverse-engineered, or distributed in any manner without the express written permission of Motorola Solutions. Furthermore, the purchase of Motorola Solutions products shall not be deemed to grant either directly or by implication, estoppel, or otherwise, any license under the copyrights, patents or patent applications of Motorola Solutions, except for the normal non-exclusive license to use that arises by operation of law in the sale of a product.
