MTI's Customer Service: Monday-Friday 8am-6pm EST 800-783-8827 or [service@mtibaths.com](mailto:service@mtibaths.com)

- Before discarding tub crate, check for accessories that may be packaged inside.
- All product measurements are +1/2".
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.

## IMPORTANT ORDERING & INSTALLATION INFORMATION

- Before ordering or installing, please consider future access to equipment.
- Optional pedestal requires on-site installation. See package content for ordering details.
- Includes an integrated overflow with toe tap drain in chrome finish. May be specified without an overflow (see local codes before ordering without an overflow).
- Air baths require job site preparation for remote installation of the blower and required check valve. Check valve must be installed higher than the rim of the tub.
- Waterproof remote control included with air bath. Keypad shipped loose may be remote mounted on nearby surface/wall.
- Faucet valves cannot be mounted on this tub model.

For more information on options and accessories go to SculptureStone® Tubs Options on [mtibaths.com](http://mtibaths.com)

- Blower & required check valve for airpath must be remote mounted.
- Check valve must be installed higher than the rim of the tub.
- See the Installation & Operation Manual for more details.
