MTI BASICS Low-Profile Rim

Instruction

- Heavily reinforced acrylic. Ultra-slim construction measures only 1” high.
- Contributes to a very minimalist, contemporary appearance.
- Currently available only on Andrea drop-in tubs and other select models. See individual specification sheet for availability.

Low-Profile Rim (LPR) \$265

Offered on select Designer Collection tub models. See the Options section on the product specification sheet for availability.

NOTE: Not available for under-mount applications or for an installation that requires a tile flange on any side of the tub.
