- **Color:** White
- **Special Feature:** Dimmable
- **Light Source Type:** LED
- **Material:** Plastic
- **Room Type:** Bedroom
- **Recommended Uses:** Decoration
- **Power Source:** Corded Electric
- **Controller Type:** Remote Control
- **Number of Light Sources:** 3
- **Connectivity Technology:** Bluetooth
- **Included Components:** Remote Control
- **Is Waterproof:** No
- **Mounting Type:** Ceiling Mount

- **Wattage:** 3 Watts
- **Number of Items:** 1
- **Lighting Method:** LED
- **Control Method:** Remote
- **Indoor/Outdoor Usage:** Indoor
- **Specific Uses for Product:** Decoration
- **Water Resistance Level:** Not Water Resistant
- **Installation Type:** Decor, Tabletop
- **Number of Pieces:** 1
- **Connectivity Protocol:** Bluetooth
- **Voltage:** 120 Volts (1.2E+2 Volts)
- **UPC:** 778299299145
- **Manufacturer:** Mubarek
- **Part Number:** GJWH10222902
- **Item Weight:** 1.06 pounds
- **Item Model Number:** HMT-01
- **Pattern:** Solid
- **Batteries Included?:** No
- **Batteries Required?:** No

Package Includes

- Mubarek HMT-01 Skylight Projector
- USB power cable
- User manual
- Remote control (optional)

Features

- **Dynamic Projections:**

The Mubarek HMT-01 Skylight Projector creates stunning visuals of realistic stars and nebula patterns that are projected across walls and ceilings. This immersive experience transforms any room into a magical night sky, enhancing relaxation and providing a perfect backdrop for sleep or meditation.

- **Color Options:**

With a variety of color modes, this projector offers 8 different colors, allowing users to customize their lighting experience. Whether you prefer calming blues or vibrant reds, the versatile lighting effects cater to different moods and settings.

- **Remote Control:**

The included remote control makes operating the projector easy from a distance. Users can effortlessly adjust brightness, rotation speed, and color settings without having to get up, providing convenience and enhancing the overall experience.

- **Auto Shut-off Timer:**

This feature allows users to set a timer for automatic shutdown after 0.5, 1, or 1.5 hours, making it ideal for bedtime use. Parents can feel at ease knowing the projector will turn off on its own, ensuring that it doesn't stay on all night.

- **Adjustable Projection Angle:**

The projector comes with a flexible design that allows users to adjust the projection angle. This ensures that the light display can be directed to cover the entire ceiling, creating an immersive experience tailored to individual preferences.

- **Galaxy Projector 2.0 Upgraded :**

Featuring wider coverage and an impressive 124 lighting effects, this upgraded version offers 8 colors, 4 brightness settings, and 4 rotation speeds. The result is a captivating light show that fills the room, helping children and adults alike to relax and fall asleep faster.

- **8 White Noise Soothing Sounds & 5.0 HiFi Bluetooth Speaker:**

The projector is equipped with 8 built-in white noise options, acting as a soothing sound machine for better

sleep. The high-quality Bluetooth speaker allows users to connect their favorite music, creating a tranquil atmosphere enhanced by soft sounds and beautiful galaxy projections.

- **Dimmable Settings & Auto Timer:**

Users can dim the projector to a comfortable level, making it user-friendly for nighttime use. The auto-timer function ensures the projector will turn off after a set duration, providing peace of mind for parents with sleeping children.

- **Upgraded 4-in-1 Galaxy Projector:**

This multi-purpose projector combines a Galaxy projector, HiFi Bluetooth speaker, white noise machine, and night light into one compact device. It's designed to create a relaxing ambiance that calms the mind and improves sleep quality while also inspiring creativity in children as they explore the mysteries of the starry sky.

- **Ideal Gift for Kids and Teenage Girls :**

The Mubarek HMT-01 makes an excellent gift for children and teenage girls, transforming their bedrooms into enchanting wonderlands. With its 12 colors and 4 brightness settings, this projector is sure to delight and inspire creativity, making it a perfect present for special occasions like Christmas or birthdays.

- **Handy Remote Control:**

Designed for ease of use, the remote control is user-friendly, even for kids. This feature allows children to take control of their own bedtime atmosphere, making it a fun and interactive experience.

- **Relaxation and Decor:**

Beyond its use as a projector, the Mubarek HMT-01 serves as a beautiful home decor piece, ideal for parties, relaxation, or creating a soothing environment. Its ability to create an immersive lighting experience makes it

versatile for any setting.

Usage

1. **Setup:** Place the projector on a flat surface and plug it into a power source using the USB cable.
2. **Power On:** Use the power button or remote control to turn on the device.
3. **Adjust Settings:** Choose your preferred color and brightness settings, and adjust the projection angle as needed.
4. **Enjoy:** Sit back and enjoy the mesmerizing light display.

Care and Maintenance

- **Cleaning:** Wipe the exterior with a soft, dry cloth to remove dust and fingerprints.
- **Storage:** Keep in a cool, dry place when not in use. Avoid exposure to direct sunlight.
- **Check Connections:** Regularly inspect the power cable for damage and ensure all connections are secure.

Troubleshooting

Issue	Possible Cause	Solution
Projector does not turn on	Power supply issue	Check the power connection and ensure it is plugged in properly.
Dimming light	LED wear out	Replace the projector or contact customer support for assistance.
Distorted image	Misalignment	Adjust the projection angle to align the image correctly.
Remote control not working	Low battery or interference	Replace remote batteries; ensure there are no obstructions between the remote and the projector.
Overheating	Blocked ventilation	Ensure proper airflow around the device; allow it to cool down if necessary.
Bluetooth connection issue	Device not in pairing mode	Ensure the projector is in pairing mode and check your device settings.
Inconsistent colors	Faulty LED lights	Contact customer support for troubleshooting or replacement.
Timer not functioning	Incorrect timer setting	Ensure the timer is set correctly and try resetting the device.
Sound issues	Volume settings too low	Adjust the volume on both the projector and your Bluetooth device.
Image not filling the space	Projection distance too far	Move the projector closer to the wall or ceiling for a better fit.
Background noise in interference	External noise	Use the white noise feature to drown out background sounds.
Device not responding	Device frozen	Unplug the projector for a few seconds and then plug it back in to reset.
Color mode not changing	Remote malfunction	Replace the remote batteries or try using the buttons on the projector.
Light flickering	Power supply fluctuations	Ensure the power source is stable and not overloaded.
Projector moving	Loose connection	Check the mounting setup to ensure it is securely attached.

Pros and Cons

Pros	Cons
Wide variety of lighting effects	Limited to indoor use only
Built-in Bluetooth speaker	Requires power outlet
Remote control operation	Not cordless
Soothing white noise options	May not suit all decor styles
Compact design suitable for various spaces	Sound quality may vary based on the connection
