myCharge All Terrain AT30G

QUICK START GUIDE

Thank for chooosing **myCharge TERRAIN**

REGISTER your product at [myCharge.com](https://mycharge.com) You MI be entered to win one of our amazing power gifts!

IN THIS PACKAGE:

- ALLTERRAIN
- Recharging cable
- Quickstart guide

RECHARGING ALLTERRAIN

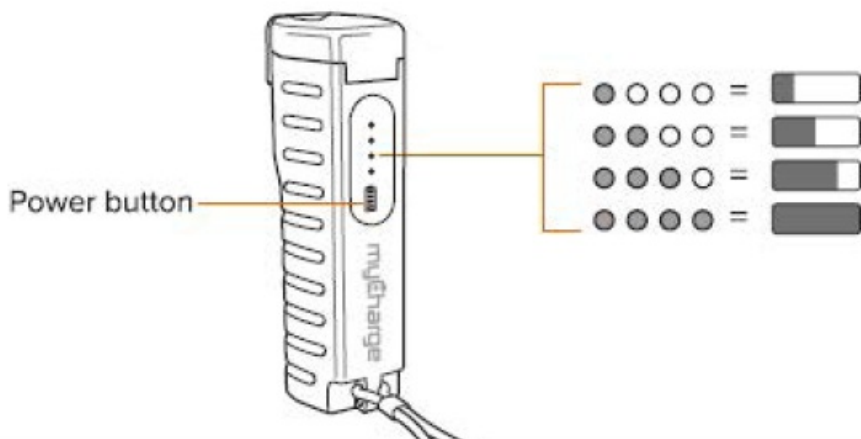

Connect the included recharging cable to any USB power source. Fully charged unit shows 4 solid, non-blinking LEDs.

3 ways to recharge: Wall outlet, car, computer

LED INDICATORS

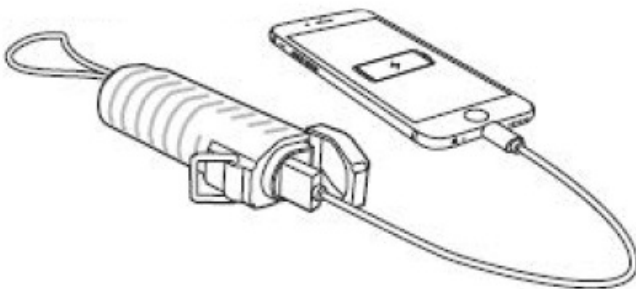

Press power button to see battery level

CHARGING DEVICES

Using your own cable, plug the USB end into the ALLTERRAIN and the other end into your device.

Charging should begin automatically—if it doesn't, press the power button.
