## SAFETY & REGULATORY NOTICES

### WARNING

- Connecting the built-in USB port improperly may cause serious damage to the device. Any damage caused by misuse is not covered by the warranty. Unplug ZeTrack+ when it is fully charged.
- This product is not a medical device and should not be used to diagnose or treat any medical condition.
- This device is not waterproof so keep it away from all sources of heat or humidity. Do not use it near sinks or other wet areas. Do not place it in water. ZeTrack+ only conforms to IP67 protection.

### ABOUT THIS MANUAL

The features of ZeTrack+ and the contents of the user manual are subject to change.

To get the latest instructions on how to use this product, please refer to the online user manual available on [www.mykronoz.com](http://www.mykronoz.com)

## SAFETY INSTRUCTIONS

Before using the device, read these instructions carefully.

- ZeTrack+ has built-in batteries. Do not disassemble the battery on your own. KRONOZ LLC is not responsible

for any damage or personal injury caused by the removal of the battery or any component.

- Do not expose your product to extremely high or low temperatures. The excessive temperature during charging could cause heat, smoke, fire or deformation of the battery, or even an explosion. Do not expose the battery to the sun, excessive smoke, or dust. Charge the battery in a cool, ventilated room.
- Do not open, crush, bend, deform, puncture or shred secondary cells or batteries. In the event of a battery break or leak, prevent battery liquid contact with skin or eyes. If this happens, immediately flush the areas with water (do not rub the eye) or seek medical help.
- Do not short-circuit. Short-circuiting can occur when a metallic object, such as coins, causes a direct connection of positive and negative terminals of the battery. Short-circuiting may damage the battery.
- Do not use batteries that have been damaged or have been exhausted.
- Keep the batteries out of children's reach and in a safe place to prevent danger.
- Do not place the batteries in the water. Do not expose your product to water at high pressure, such as ocean waves or waterfall. Do not use your product in a sauna or steam room.
- Do not dispose of batteries in a fire as they may cause an explosion. Dispose of used batteries in accordance with your local regulations (such as recycling). Do not dispose of as household waste.
- Use only the USB cable supplied to charge this battery. Do not charge for more than 24 hours.
- Do not attempt to repair or maintain the watch by yourself, service and maintenance should be performed by authorized technicians.
- Risk of explosion if the battery is replaced by an incorrect type.
- Dispose of used batteries according to these instructions.

## REGULATORY NOTICES

### USA FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions :

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### CAUTIONS

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

### FCC NOTICE

This equipment complies with the limits of a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against radio and TV interference in residential areas. However, even during normal operation, this equipment may cause TV or radio interference. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try one or more of the following corrective measures:

- Reposition the receiving antenna.
- Increase the distance between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## RF EXPOSURE STATEMENTS

This equipment complies with the FCC radiation exposure requirement set forth for an uncontrolled environment. End-users must follow the specific operating instructions for satisfying RF exposure compliance.

## CANADA

### INDUSTRY CANADA (IC) STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions : (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This Class B digital apparatus complies with Canadian ICES-003.

### RF EXPOSURE STATEMENTS

This device complies with the ISED RSS-102 RF exposure requirement set forth for an uncontrolled environment and is safe for intended operation as described in this manual.

### EUROPEAN UNION

#### CE DIRECTIVE

KRONOZ LLC hereby declares that the device is in compliance with the essential requirements and other relevant provisions of Directives 2014/53/EU & 2011/65/EU. The original EU declaration of conformity may be found at: <https://www.mykronoz.com/assets/certifications-ce-zetrackplus.pdf>

### DISPOSAL AND RECYCLING INFORMATION

After the implementation of the European Directive 2012/19/EU in the national legal system, the following applies: electrical and electronic devices may not be disposed of with domestic waste. Consumers are obliged by law to return electrical and electronic device at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details of this are defined by the national law of the respective country. This symbol on the product, the instruction manual, or the package indicates that a product is subject to these regulations. By recycling, reusing the materials, or other forms of utilizing old devices, you are making an important contribution to protecting our environment.
